Candidate for Delegate

I am asking you for your support in voting for me as your Delegate. I have served as your delegate since 2007. I have gained a wealth of knowledge over the years of being an active member at both the national and local level.

I truly feel that APTA membership is valuable because I firmly believe that this organization can change the course of our profession and move it forward. I want to continue the conversations I am having with delegates from other states about the current motions moving our profession towards our new vision of “Transforming Society”. I will work my hardest to be your voice on the national level at the House of Delegates.
