**BEATRIZ FLORES NAMED INTERNATIONAL  
PROFESSIONAL CLEANER OF THE YEAR**

SEPT. 16, 2014 – Hillsborough, NJ – Beatriz Flores, cleaning technician and supervisor at S&G Cleaning Services LLC in Hillsborough, NJ, has been named Professional Cleaner of the Year by the Association of Residential Cleaning Services International (ARCSI). Flores will accept her prestigious award at ARCSI’s Annual Convention and Education Conference in Orlando on Nov. 6, 2014.

Flores was nominated for the Professional Cleaner of the Year Award by S&G Cleaning Services President Shirley Perlinsky. “She is always very positive and client-oriented,” Perlinsky said. “She wants the best for the company and clients. Her attitude encourages other staff to think the same way.”

The Professional Cleaner of the Year Award is given annually by ARCSI, the only professional organization dedicated to the residential cleaning industry. The award recognizes one cleaning technician internationally that represents excellence, professionalism and integrity in the profession.

“The Professional Cleaner of the Year Award is incredibly prestigious, especially when you think about how many people are out there worldwide cleaning homes on a regular basis,” said ARCSI Executive Director Ernest Hartong. “To recognize a single individual for their efforts, the trust they have built in their community and their commitment to professionalism is the heart of the Professional Cleaner of the Year Award and exactly what ARCSI stands for.”

###

The Association of Residential Cleaning Services International (ARCSI) was established in 2003 to assist residential cleaning service owners in starting, promoting, building and expanding their businesses. With members in the U.S., Canada, the Philippines, Australia and throughout Europe, ARCSI is committed to providing valuable information to ensure the growth and development of our members' businesses through education, networking and collaboration.
