

THE JOSEPH M. PARISH MEMORIAL GRANT

This grant honors the late Joseph M. Parish, P.E. who was instrumental in the establishment of ICET (now NICET) and an early supporter of this society. The grant in the amount of \$500.00 to be used to offset the cost of tuition, books and lab fees, and may be awarded annually.

Applications will be evaluated by the Financial Aid Committee which will determine eligibility and forward its recommendations to the president of ASCET. Should the committee recommend more than one recipient, the Executive Committee shall select the most deserving candidate.

QUALIFICATIONS

1. Meet the following minimum grade average:
 - 2 points on a 3 point system
 - 3 points on a 4 point system
 - 4 points on a 5 point system
 - 5 points on a 6 point system
2. Be an American citizen or a legal resident of the country in which the applicant is currently living.
3. Be a Student member of ASCET.
4. Be a full time student in an **Engineering Technology** program. If you are going for a BS degree in Engineering, you are not eligible for this grant.

NOTE: Students in a two year program should apply in the first year to receive the grant for their second year.
Students in a four year program who apply during their third year may receive the grant for their fourth year.

5. Be qualified for financial aid under the Federal Work Study Program.
6. Show financial need, as verified by the Dean or Registrar of Engineering Technology, or the Financial Aid Office at the institution the applicant is attending.

INSTRUCTIONS FOR APPLICATION

1. Complete the APPLICATION FORM.
2. Attach a PERSONAL RESUME to include a statement of your goals in the field of Engineering Technology.
3. Ensure that the appropriate institution official completes the information on the STATEMENT OF ENROLLMENT AND FINANCIAL NEED forms.
4. Obtain one (1) written RECOMMENDATION from a faculty member of the Engineering Technology Department which, outlines your motivation, progress, outstanding achievements, and an evaluation of your potential in the field of Engineering Technology.
5. Obtain two (2) written RECOMMENDATIONS outlining your association, motivation and potential for success from personal acquaintances, employer or former employer.
6. Be sure all documents are mailed in sufficient time for receipt by the ASCET Office no later than April 1.

NOTE: Failure to complete or include any items in the application package may be grounds for rejection of the application unless the committee, at its discretion, is able to notify you of the incomplete or omitted items and such items are submitted within the evaluation period time schedule.

7. This package should contain:
 - E:4.09.02 Application form
 - E:4.09.03 Statement of Enrollment and Financial Aid
 - E:4.09.04 Sample Recommendation Letter (faculty)
 - E:4.09.05 Sample Recommendation Letter (acquaintance)
