- Southern Region-ASHS \$ 30

Students/Early Career:

Supervisor name _____

Supervisor email _____

Note: ASHS membership dues are not deductible as a charitable contribution, but may be deductible as a business expense.

subtotal column 1 \$ _____

¹ Lifetime membership is complimentary for Emeriti whose cumulative gifts to the ASHS Endowment fund total \$6,000 or more.

² Proof of status required.

Established in 1903, the American Society for Horticultural Science is recognized around the world as one of the most respected and influential professional societies for horticultural scientists.

Comprised of thousands of members worldwide, ASHS represents a broad cross-section of the horticultural community - scientists, educators, students, landscape and turf managers, government, extension agents and industry professionals.

ASHS members focus on practices and problems in horticulture: breeding, propagation, production and management, harvesting, handling and storage, processing, marketing and use of horticultural plants and products.

Member Benefits:

- *Twice monthly ASHS E-Newsletter*
- *Webinars*
- *Access to Networking through the ASHS*
- *Discounted Publishing Opportunities*
- *Open Access to all ASHS Publications*
- *Discounted registration to the ASHS Annual Conference*
- *Participate in Interest Groups*
- *Leadership Opportunities*
- *Participate in Regional Groups*
- *Online access to full-length versions of Hort-Educator interviews.*
