NATIONAL CONSTITUTION
PI ALPHA XI
THE HONOR SOCIETY FOR HORTICULTURE

ARTICLE I: Name and Purpose

Section I: Name
The full, legal name of this organization is Pi Alpha Xi, The Honor Society for Horticulture, abbreviated as P.A.X.

P.A.X. was founded in 1923 as an honor society for floriculture. Over time, it expanded to include landscape horticulture and ornamental horticulture. The 2010 revision expanded to include all horticultural disciplines.

The meaning of the Honor Society for Horticulture is interpreted as a professional Honor Society for those engaged in horticulture.

Section II: Mission
The mission of this Honor Society is 1) to recognize high scholarship, 2) to foster good relationships among its members, 3) to promote or to facilitate the exchange of ideas among members of the professions, and 4) to establish cordial relations among students, educators, and industry members.

ARTICLE II: Chapters

Section I: Eligible Institutions
Any four-year university or college offering instruction in horticulture is eligible to establish a chapter.

Section II: Voting for New Chapters
A petition for the establishment of a new chapter is presented to the Board of Directors through the National Secretary-Treasurer. Upon consent of the Board of Directors, the petition is referred to all active chapters, by referendum at the Annual Business Meeting (two-thirds affirmative vote by the members present) or by mail or electronic correspondence. Upon affirmative vote of two-thirds of the active chapters, the President notifies the new chapter of its acceptance.

Section III: Installation of New Chapter
Such petitioning group covers the expense of the National President or other officer to attend the chapter installation and, at the time of installation, deposits with the Executive Secretary the regular initiation fee for each of the members. The chapter is exempt from further
payment of dues for the remainder of the academic year, except for members initiated after the installation of the chapter.

Section IV: Inactivation of Chapter
An active chapter of Pi Alpha Xi (those current on national dues) may be declared inactive by the National President or by the Board of Directors

- upon the request of the chapter concerned or recognized staff advisor of the chapter, or
- after lapse of dues payment for a period of more than three years.

Such an inactive chapter may become active again with the approval of the National President or the Board of Directors upon payment of chapter dues for the current year and one year in arrears.

Inactive chapters may not initiate members, propose honorary members, or have a vote at the Annual Business Meeting. Nothing, however, shall prevent duly initiated Pi Alpha Xi members at an institution with an inactive chapter, or any member duly initiated by that chapter, from holding a national office or committee appointment, or otherwise exerting membership rights in Pi Alpha Xi.
