Letter from Our President

Always to Excel

That’s been Pi Alpha Xi’s motto for nearly 90 years. In 1923 a group of Cornell faculty led by Arno Nehrling had a vision to create an honor society to recognize academic achievement of floriculture students. Over the decades, PAX has morphed to keep pace with changes in horticulture programs. Today, 23 active chapters gather on university campuses to honor all students, faculty, alumni, and industry leaders who excel in horticulture.

I feel privileged to serve as President of PAX National. My affiliation with PAX goes back to the spring semester of 1975 when I was inducted into the Rutgers University Zeta Chapter. My membership certificate is signed by the late Dr. Marvin C. Carbonneau, President (Beta 155; PAX Fellow, 1998); the late Dr. Roy A. Larson, National Secretary-Treasurer (Alpha 339; PAX Fellow, 1992); and Dr. Ellen Paparozzi, who was President of the Zeta Chapter (Zeta 175) at that time and is a past president of PAX National. Throughout my career, I’ve maintained my connection with PAX as a graduate student in The Ohio State University Epsilon Chapter, as a faculty advisor of the Kansas State University Omega Chapter, and now as a member in the University of Tennessee, Knoxville Alpha Beta Chapter. My history is not unusual for those who have academic careers. However, there are many members who have not had their careers tied to universities and we need to reach out and engage our alumni at the chapter and national levels.

I want to thank Dr. John Peterson (Cal Poly, San Luis Obispo) for his service to PAX National over the past two years. He worked to spread the word that PAX updated its mission to encompass all of horticulture. My goal as president is to continue to spread the word that PAX honors excellence in all of horticulture, not just our founding discipline of floriculture. We recognize horticultural diversity through the annual photography contest showcased at the annual ASHS conference. In the recent revision of the Constitution and By-laws, we restructured two committees - Member Services and Student Activities - to address today’s needs of our members and students at the national level.

Speaking of the annual photography contest, Bob Stamps, University of Florida, deserves a call-out for his excellent leadership as chair of the contest. Under his leadership, entries grew 292% over two years (winning photos are included in this newsletter). Horticulturists have always relied on photography to convey information. What better way to recognize the art of horticulture than displaying and recognizing excellence

THE PURPOSE OF PI ALPHA XI, THE HONOR SOCIETY FOR FLORICULTURE, LANDSCAPE HORTICULTURE, AND ORNAMENTAL HORTICULTURE, IS TO RECOGNIZE HIGH SCHOLARSHIP, TO FOSTER GOOD RELATIONSHIPS AMONG ITS MEMBERS, TO PROMOTE OR TO FACILITATE THE EXCHANGE OF IDEAS AMONG MEMBERS OF THE PROFESSIONS, AND TO ESTABLISH CORDIAL RELATIONS AMONG STUDENTS, EDUCATORS AND INDUSTRY MEMBERS.

in capturing the beauty of our work, whether an individual flower, plant, landscape, or vista. I look forward to seeing the talent of our members and others at the 2013 contest held in conjunction with the annual ASHS conference scheduled for Palm Desert. Bob Lyons, University of Delaware, has agreed to chair the photography contest committee for the next two years.

Other committee chairs for the 2012-2014 biennium are John Peterson, Fellows Selection; Terry Ferris, Membership Services; Paul Thomas, Nominations; Richard Harkess, Rules; David Graper, Student Activities; Tim Rhodus, Website (committee membership lists are included in this newsletter).

Of course, PAX can only continue to excel if your officers have your help and support and if you become engaged in the campus chapters.

Best regards,
Mary Lewnes Albrecht, PhD, Zeta 166

Meeting Minutes

Finance Report
Secretary/Treasurer Karen Panter presented the current financial statements, with thanks to Executive Secretary Dawn Mancini for her work on them. For the 2012 fiscal year (1 July 2011 to 30 June 2012) total income was $8,088.00 and total expenses were $5,708.17 for net income of $2,379.83. For comparison purposes, fiscal year 2011 total income was $7,819.82 and total expenses were $5,372.04, with net income $2,447.78. The fiscal year 2012 balance sheet shows total assets and total liabilities and equity of $31,468.68. The fiscal year 2011 figure was $29,088.85. The finance report was approved.

Membership Report
President John Peterson reported on our newest chapter, Alpha Rho, Oregon State University. Their advisor, Ryan Contreras, was in attendance and was congratulated for his work in pursuing the chapter. John also recognized Alpha chapter, Cornell University, as they have reactivated with Mark Bridgen’s guidance.

Photo Contest Report
Bob Stamps handed out the results of the 2012 photo contest. There were 69 entries this year from 25 different photographers. This was a 46% increase over 2011 when there were 48 entries, and a 292% increase over 2010 when there were 24 entries.

Winners for 2012 were:
- **Flower Category (32 entries)**
  - 1st – David Reynolds – ‘Love-in-the-mist’ close up (*Nigella damascena*)
  - 2nd – Ping Lim – dancing in the sun (*Dietes iridioides*)
  - 3rd – Mary White – night-blooming cereus (*Selenicereus grandiflorus*) #2

- **Challenge Category – Green Architecture (2 entries)**
  - Judges decided to not give any awards due to too few entries

- **Landscape Category (11 entries)**
  - 1st – David Graper – cottage garden in winter, McCrory Gardens in Brookings, SD

  - 3rd – Melissa Stein – reflection bench, Buccleuch Park, New Brunswick, NJ

- **Plant Category (24 entries)**
  - 1st – Larry Rupp – Ruby Mountain spring (*Veratrum californicum*), false hellebore
  - 2nd – Edith Isadoro – underside of a water lily (*Nymphaea sp.*)
  - 3rd – Bhaskar Bondada – germinating honey locust seed (*Gleditsia triacanthos*)

- **Best of Show**
  - Larry Rupp – Ruby Mountain spring

Judges this year were Bob Lyons, Garry McDonald, and Chris Fooshee. IT support was provided by the Ohio State University representatives Tim Rhodus, Ernest “Bud” Witney, and Elaine Eberlin. ASHS staff support was provided by Michael Neff and Dawn Mancini.

The Pi Alpha Xi Photography Contest Committee is comprised of Richard Criley, Alice LeDuc, Tim Rhodus, John Peterson, and Bob Stamps (chair). Bob requested that a new chair be designated.
2012 Meeting Minutes

Rules Committee Report/By-Laws
Vice President Mary Albrecht reported on the constitution and by-law changes. The proposed increase in GPA was defeated but all other changes were approved. All in attendance at the meeting were given a copy of the newly revised constitution and by-laws. They are also available on the Pi Alpha Xi web site www.ashs.org/pax/. She also presented our new operations manual. All in attendance received a copy of the manual and it will also be available on the PAX web site. Mary emphasized these two documents must agree and complement one another.

Ritual Committee, Ad Hoc
Past President Ellen Paparozzi reported that the initiation ritual has been revised and updated but some of the Greek wording is under discussion. There are questions about meanings of the words, old Greek, new Greek and she and Mary Albrecht are working with Greek scholars to determine correct wording. The new version of the ritual contains both a shorter ceremony as well as a longer ceremony. Chapters are free to use whichever ritual they choose. A motion was made to approve the new ritual pending resolution of the Greek wording issue. The motion was seconded and passed unanimously. Ellen Paparozzi and Mary Albrecht discussed this further and have agreed to go with the modern interpretation of the Greek words. The ritual will be distributed via email and posted to the web.

Fellows Selection Committee
President John Peterson reported for Daniel Warnock who was not able to attend the meeting. There were no Fellows selected this year. It was stated that procedures for Fellows selection do not need to be in the by-laws and that the committee is considering changing procedures to allow for eligibility for individuals to be nominated even if they were not initiated while students, in order to reflect opening the PAX membership to all in horticulture; other criteria would remain the same. PAX is now an honorary horticulture society, not just floriculture, and the selection process needs to be changed to reflect this.

Judging Committee
Terri Ferriss and Virginia Walter reported they are discussing having the contest during the OFA Short Course. It does present some different scenarios as the Short Course audience would be a very different one and may be somewhat removed from students. It was stated that one possibility for holding the contest would be in conjunction with one of the many public gardens groups. A discussion ensued regarding the idea that horticulture undergraduates are not currently receiving any training in product quality and standards. It was stated that it may be very difficult to get undergraduates to attend the OFA Short Course since it is in July and many students are working or involved in internships. The ASHS Association of Collegiate Branches (ACB) struggles with this too since the majority of ASHS conferences are held during summer months. One suggestion was to possibly raise the importance and value of the contest (and winning it) with our administrators.

Nominations Committee
Virginia Walter presented the slate of new officers:
President – Mary Albrecht
Vice President – Karen Panter
Secretary/Treasurer – Stephanie Burnett
All candidates were unanimously voted in. John Peterson now assumes the position of Immediate Past President, Daniel Warnock is Past President, and Dawn Mancini continues in her position of Executive Secretary.
New Business
Michael Neff, ASHS Executive Director, stated that PAX needs to look at increasing revenue streams. Currently, the organization is not sustainable at current levels of income from dues, etc. Ellen Paparozzi suggested PAX needs its own 501(c)3 status in order to start an endowment fund. Without tax-exempt status donors cannot deduct their contributions to the organization. However, gaining 501(c)3 status would most likely require legal counsel.
Ellen also commented that on our 2012 Profit & Loss statement only $300 was spent on scholarships this year. One scholarship per chapter is currently allowable but very few chapters are applying for scholarship funding.
Neil Anderson expressed the thought that there isn’t much incentive for attendance and involvement in PAX. He commented that sustainability of the organization is an issue and that there may be sufficient cash reserves at the moment to hold another contest. However, this requires major cash outlays up front.

It was stated that ASHS is currently paid for managing PAX on a per new-initiate basis.
Incoming President Mary Albrecht commented that she was initiated into PAX in the spring of 1975, Zeta chapter at Rutgers University. She served as President of the Epsilon Chapter at Ohio State as a graduate student, was advisor of the Kansas State chapter, and is currently a member of the Tennessee chapter. She has always worked to recognize and honor excellence in horticulture students, faculty, and alumni and is honored to serve as our President for the next two years.
Ellen Paparozzi followed up by stating that she knows of employers who actively look for Pi Alpha Xi membership on resumes.

Adjourn Meeting
President John Peterson thanked everyone for their hard work this past year on the constitution and bylaws, initiation ceremony, photo contest, selection of new officers, and general support for Pi Alpha Xi. The meeting was adjourned at 1:45 p.m.
Drs. John Peterson (left) and Ryan Contreras (right) at the very first initiation ceremony for the Alpha Rho Chapter of Pi Alpha Xi! Oregon State University is the home of Alpha Rho chapter. Kudos to Dr. Contreras for pursuing and advising the newest PAX chapter.

The installation and initiation ceremony of the Alpha Rho chapter took place at Oregon State University on February 13, 2012.
