AASE MEMBER DIVERSITY COMMITTEE

**Carlota Toledo (Chair) - Syracuse University
College of Law**

The mission of the Diversity Committee is to support diversity, inclusion, and belonging in law schools and in gaining entry into the legal profession. AASE adopts a broad definition of diversity that includes but is not limited to: gender, gender identity, sexual orientation, age, religion, race, national origin, ethnicity, disability, and socio-economic status. The Committee honors the traditional role of academic support programs implemented to support diversity and inclusion in law schools.
