

BERNARD NOMBERG'S PANDEMIC DANCE PARTY

I am not a dancer. When I go to social functions I really try to stay away from the dance floor, at all costs. However, during this pandemic, my daughters and I were trying to figure out a way how to bring a smile to the face of anybody who might need it. Several weeks ago, we decided to do some short dance videos they had seen on TikTok. One thing led to another, and now we are posting videos a few times a week. I'm still not a dancer, by a long shot, but these have been a lot of fun and spending this time with my daughters has been great. We hope in some small way our videos bring a smile to the face of anyone who watches.
