This one-day refresher workshop is for those preparing to take the CFM Exam. It is intended to supplement a solid base of experience in the field of floodplain management, reading, and self-study methods in preparation to take the National CFM exam. This workshop is not a replacement for studying. Participants should not expect to complete this workshop and pass the CFM Exam without additional study. This workshop is targeted at seasoned professionals who have read [FEMA 480](#) and have studied the materials on the [CFM® Exam Prep guide](#) from ASFPM's website prior to attending.

Taking the CFM Exam?

Go to the ASFPM website at www.floods.org for dates and location for the CFM Exam

*Registration for the CFM Exam must be completed **SEPARATELY**.*

Becoming a Certified Floodplain Manager (CFM)

The Certified Floodplain Manager (CFM) exam is administered by the Association of State Floodplain Managers (ASFPM) and proctored by CFM's in the State of Florida. To find an exam date and location, you have two options;

1. Go to ASFPM's website at www.floods.org to Certification Program, Exam Info then CFM Exam Calendar.
2. For exams in Florida, go to www.FLfloods.org, Conference & Events, Event Calendar.

To take the CFM exam, the following steps need to be taken:

1. An application for membership and testing, along with the fees, will need to be submitted to ASFPM no later than 3 weeks before the exam. The website link is www.floods.org.
2. Under the tab Certification Program, Exam Info, then To Apply, you will find the application, along with recommended study materials. You **MUST** study. This is not an easy exam.
3. Fill out the applications and mail the application along with the payment to ASFPM.
4. If you have any question about the application process, email Nancy at nancy@floods.org.
