

**R.W. (Bob) Riddell, CPP**  
**President & Founding Advisor**  
**Riddell Risk Management Inc.**

Bob is an Executive, Security & Life Safety subject-matter-professional, who brings the depth of over three decades corporate experience to his disciplines. He maintains an extensive network of North American security professionals among colleagues in law enforcement, related government agencies, heads of corporate security, as well as numerous experts in the fields of physical security and security technology. Bob is a 'Board Certified' *Certified Protection Professional (CPP)*, through ASIS International, and is the Canadian representative of their "ASIS International - Commercial Real Estate Community".

For over fourteen years, Bob served as a national "Director, Security & Life Safety" within the property owner/manager business sector, first with Cadillac Fairview and then with Ivanhoé Cambridge. He previously enjoyed eighteen years national corporate security management experience within Canadian financial institutions including HSBC Bank of Canada, Canadian Bankers Association, and Royal Bank of Canada. Bob's Security & Life Safety vocation was preceded by an earlier career in national bank administrative operations (i.e. Bank of Montreal, Continental Bank of Canada, and Lloyd's Bank Canada).

Since 2012, Bob has continued in his role of Founding Chair within the "Building Owners & Managers Association Toronto - Security Risk Management Advisory Council" (BOMA Toronto - SRMAC). He also Chairs the "Overseas Security Advisory - Canada Country Council" (OSAC - U.S. State Department); is an Associate Member of the "Canadian Association of Chiefs of Police" (CACP); and is a recent Member of the "International Association of Chiefs of Police" (IACP) and its "Private Sector Liaison Section".

Bob is *President and Founding Advisor* of **Riddell Risk Management Inc.\***, an advisory practice dedicated to supporting any organization in the development of a holistic Security & Life Safety Risk Management Strategy and Governance Program; derived from and based upon the principles of Enterprise Security Risk Management (ESRM). He provides advice directly or through a curated network of Security & Life Safety subject-matter-professionals.

Bob is also an Executive Member of **Consilium Public Sector Services Inc.** ([consiliumpss.com](http://consiliumpss.com)), serving as *Senior Vice President, Private Sector Services*. Consilium is a consortium of well-experienced security & life safety consultants, professionals and thought leaders; all drawn from varied sectors including municipal government, police/fire/paramedic, cyber, finance, property management, and academia.
