CERTIFICATION RENEWAL

Congratulations on your status as a Certified Bearing Specialist. The BSA certification program was designed to elevate professional standards, enhance individual performance and recognize those individuals who demonstrate the knowledge and critical skills necessary to provide effective service and solutions in the bearing industry.

Each CBS must renew their certification at five year intervals. If a CBS does not re-certify, he/she is no longer considered a Certified Bearing Specialist and may no longer use the CBS designation or logo. All certifications expire at the end of a calendar year, regardless of whether earned in the beginning of the year or during the year.

BSA will email or mail notices to each CBS advising them of the renewal requirements. You may reproduce this report form or include additional pages as necessary. Renewal forms for persons eligible for recertification must be received no later than December 31st of your renewal year.

For each five-year period, there is a renewal fee of $25 if employed by a BSA member or participating manufacturer or $50 employed by a non-BSA member distributor or non-participating manufacturer. It must be paid when the Recertification Application is submitted.

For additional information contact: Certified Bearing Specialist Program
800 Roosevelt Road, Suite 312C
Glen Ellyn, IL  60137

Certified Bearing Specialist
Re-Certification Application

Date: __________________________

Name _________________________________________________________________
Employer ________________________________________________________________
Manager ________________________________________________________________
Work Address ____________________________________________________________
City __________________________ State ___________ Zip __________
Phone: __________________________ Fax __________________________
Email: _________________________________________________________________
Job Title: ______________________________________________________________

All Certified Bearing Specialists must be re-certified every five years to maintain their CBS status

To be eligible for CBS Re-Certification an applicant must:
• Continue to be employed full time in the “bearing distribution industry”, which is defined as the stocking, selling, and distributing as an authorized distributor for a full range of basic types and sizes of new factory warranted bearings for replacement or maintenance purposes or in the bearing manufacturing industry.
• Submit a problem and solution or a story of how you have added value through being a CBS.
• Complete this application and pay the filling fee of $25 (if employed by a member or participating manufacturer of BSA) or $50 (if employed by a non-BSA member distributor or non-participating manufacturer).

You have an opportunity for your problem and solution or story to be published in PTE Magazine. If you would like to be considered for this amazing opportunity, please ensure your Problem and Solution Story is at least 750 words. In addition we will need a picture of you as well as a short bio to put under your picture.

Payment Information
Full payment by check, in U.S. funds, or credit card is required at the time of this application.

Please charge my □ Visa □ MasterCard □ American Express

In the amount of □ $25 (Employee of BSA member or participating manufacturer)
□ $50 (Employee of Non-BSA Member or non-participating manufacturer)
