

“Accreditation Guru led our organization through the process of developing a strategic plan and organizing a retreat for the Board of Directors to review and adopt the plan. They skillfully managed the development of the strategic plan with input from all levels of the organization, staff, management, Board and subcontracting agencies. The resulting strategic plan was outstanding and received the unanimous approval of the Board of Directors.”

Board President, Family Support Services of North Florida

Accreditation Guru, Inc. will help you prepare for greatness!

STRATEGIC PLANNING

A strategic plan is not only a prerequisite to applying for accreditation; it provides your organization with a thoughtful, collaboratively planned roadmap for the future.

Accreditation Guru, Inc. can effectively guide your organization through the planning process, successfully involving Board members, leadership team, staff and key stakeholders. The resulting strategic plan will be one that helps your organization:

- Focus on its mission
- Determine priorities
- Communicate to funders and stakeholders that there is a systematic approach to the future
- Identify steps to achieve long-range goals

BOARD DEVELOPMENT

Having a well-functioning, cohesive Board of Directors is a crucial contributor toward your organization being able to fulfill its mission. We have the expertise to improve the functioning of your Board of Directors through various aspects of Board development:

- Assess current Board diversity and structure
- Identify needed Board positions and committees
- Develop onboarding process for new members
- Create and update Board manuals
- Facilitate Board meetings and retreats
