

CALPASC's initiative to level the playing field

CALIFORNIA PROFESSIONAL ASSOCIATION OF SPECIALTY CONTRACTORS

LEVEL Sponsorship Form

Currently in California, many trade contractors are consistently and systematically violating serious labor and safety laws and regulations to gain an unfair competitive advantage. Too often builders and general contractors hire them solely because of their very low bids. CALPASC's LEVEL Program addresses this deep and widespread problem. Please go to www.calpasc.org for more information.

THE PROBLEMS THAT AFFECT US MOST

- Employers paying cash or partial cash to employees
- Certification violations
- Independent contractor fraud
- Workers' compensation premium and payroll fraud
- Prevailing wage violators
- Cal/OSHA violators (e.g.: fall protection)

The LEVEL Program requires resources to be successful. With a LEVEL sponsorship your company will be recognized on the CALPASC website & in hand-outs at various events. The proceeds of LEVEL sponsorships will be allocated to the execution of the LEVEL Program. LEVEL sponsorship is separate from membership with CALPASC.
