Dear Linda:

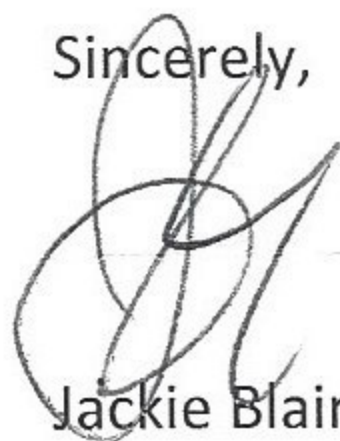

Thank you for your first Welcome Home Basket delivery to Garden Terrace, and for believing in our mission! These baskets are physical representations of a fresh start, new possibilities, and the beginning of a new life with Foundation Communities.

With your support, we help empower individuals to achieve educational success, financial stability, and healthier lifestyles. Our programs are possible thanks to volunteers like you who dedicate their time, energy, skills and passion to our residents and neighbors.

Enclosed is in-kind donation receipt form should you wish to track your donations to itemize tax deductions. This is for your records only, and you do not need to return to me unless you wish to receive a formal thank you letter for your records at the end of the year.

I look forward to working with you over the next 6-months to welcome our new residents home, and please let me know if you ever have any questions or concerns!

Sincerely,

Jackie Blair Cuéllar
