Coalition for Academic Scientific Computation (CASC)

Rajendra Bose, CASC Vice-Chair
CASC Fall Meeting, September 15, 2016
CASC Focus:

Founded in 1989, the Coalition for Academic Scientific Computation (CASC) is an educational nonprofit 501(c)(3) …representing many of the nation's most forward thinking universities and computing centers. CASC is dedicated to advocating the use of the most advanced computing technology to accelerate scientific discovery for national competitiveness, global security, and economic success, as well as develop a diverse and well-prepared 21st century workforce.

(From casc.org)

The mission of CASC is to further the development of a national infrastructure of advanced scientific computing, communications and education resources…

(From CASC Bylaws, Adopted November 13, 2012)
Membership:

- Public universities
- Private universities
