CASH Fall Conference

Day 1
The first day of the CASH Fall Conference begins with a substantive and entertaining California economic forecast by Dr. Mark Schniepp from the California Economic Forecast, a case study on the Kern High School District Career Education Program, and the always popular new and improved School Construction Jeopardy. In the afternoon, the agenda will focus on breakout sessions on school facility hot topics including Universal Pre-K planning, polling, piggyback contracting, and energy management. Specifically, this CASH pre-conference workshop includes an interactive presentation on leadership in planning/construction/public financing, the importance of communication and emotional intelligence, and preparing for your next promotion.

Pre-Conference Workshop 2: Facilities Hot Topics
This workshop will focus on facilities hot topics related to master planning, polling, piggyback contracting, and energy management. Specifically, this workshop will include presentations on master planning and local bond marketing, polling as a planning tool for local bonds, piggyback contracting for factory built facilities, and the challenges and opportunities of solar and storage requirements.

Day 2
The second day of the CASH Fall Conference includes presentations and key updates from state agencies such as the Division of the State Architect (DSA), the Office of Public School Construction (OPSC) and the Department of Education (CDE), key legislation and regulatory issues, legal hot topics and presentations by the CASH School Facilities Leadership Academy (SFLA) and the CASH Maintenance Management Certificate Program (CMMCP).
