# Pre-Conference Workshop

Wednesday, October 7, 2026

## Pathways to Leadership – Advancing Your Career in School Facilities

Kick off your conference experience with a focused Pre-Conference workshop dedicated to leadership development and professional growth in school facilities.

Through interactive sessions, attendees will build essential skills in communication, public speaking, and relationship-building while gaining practical strategies to advance their careers. From leadership insights to real-world applications, the program is designed to strengthen your confidence and effectiveness in today's evolving environment.

Connect with peers, exchange ideas, and leave with actionable tools to elevate your impact within your organization and community.

### \* New This Year: New Member, First Time Attendee

Start your CASH Fall Conference experience by connecting with fellow first-time attendees and new members during this interactive pre-conference breakfast session. Meet CASH leaders and experienced members, learn how to maximize your conference experience, and discover valuable member resources, programs, and networking opportunities. Breakfast included.

Friday, October 9, 2026

## The State of School Facilities - Economics, Policy, and Practice

Join school facility leaders, district officials, and industry professionals in Irvine, California for the 2026 CASH Fall Conference - an in-depth look at the forces shaping school facilities across the state.

This timely program explores California's economic outlook, the implications of the November elections, and the future of state and local funding for school infrastructure. Attendees will gain valuable insight into managing project and program costs, evaluating delivery methods, and maximizing the use of existing facilities.

Hear directly from state agencies, policy experts, and legal professionals on the latest legislative, regulatory, and litigation developments. With new research, expert perspectives, and practical strategies throughout, this conference equips participants to make informed decisions and successfully navigate today's complex facilities landscape.
