Collaborative Care in Canada: from COVID-19 to a more equitable future

This Conference Pre-Session aims to bring together people who are passionate about health equity and collaborative mental healthcare in Canada to share and spread promising ideas. We are pleased to bring together an impactful lineup of speakers and panelists who will address equity issues in diverse patient populations, and conceptual and practical advances in collaborative care.

		Schedule	
Time (ET)	Event	Title & Description	Speaker(s)
11-11:30 AM	Welcome	CSC01 Welcome and overview of the day	Matt Burkey & Maria Patriquin
11:30-12:15	Keynote	CSC02 Indigenous mental health and well-being: 'Debwaywin' (Truth) telling towards a reconciliation approach	Bernice Downey
12:30-1:15	Update on field	CSC03 "Collaborative Care in Canada - the next 10 years: Priorities and Opportunities" An update on the field of collaborative mental healthcare in Canada, evolving models, and future challenges and opportunities.	Nick Kates
1:15-1:30	Award presentation and Passing of the Spoon	CSC04 Annual Collaborative Care award presentation "Passing of the Spoon" to 2022 conference organizers	Awardee TBA
