AB 1743  **(O’Donnell D)** California Career Technical Education Incentive Grant Program.

**Status:** 3/22/2018-Coauthors revised. From committee: Do pass and re-refer to Com. on APPR. (Ayes 6. Noes 0.) (March 21). Re-referred to Com. on APPR.

**Location:** 3/22/2018-A. APPR.

**Summary:** Current law establishes the California Career Technical Education Incentive Grant Program, administered by the State Department of Education, with the purpose of encouraging and maintaining the delivery of career technical education programs during implementation of the school district and charter school local control funding formula. Current law appropriates specified amounts for the program from the General Fund for the 2015–16, 2016–17, and 2017–18 fiscal years, and provides minimum eligibility standards for grant applicants. This bill would instead specify that the purpose of the program is to encourage and maintain the delivery of high-quality career technical education programs.

**Status:** 3/1/2018-Referred to Com. on ED.

**Location:** 3/1/2018-A. ED.

**Summary:** Would establish a State Seal of STEM to recognize high school graduates who have attained a high level of proficiency in science, technology, engineering, and mathematics fields. The bill would establish criteria for the receipt of the State Seal of STEM, would require the Superintendent of Public Instruction to prepare and deliver to participating school districts an appropriate insignia to be affixed to pupil diplomas or transcripts, and would require participating school districts to maintain appropriate records and affix the appropriate insignia to diplomas or transcripts of recipient pupils.
AB 2523 (Grayson D) Computer science: content standards: digital literacy.
Status: 4/2/2018-Re-referred to Com. on ED.
Location: 3/22/2018-A. ED.
Summary: Would require the commission to also consider content standards that include standards for teaching digital literacy, as defined, when considering developing and recommending those computer science content standards.

ACR 166 (Baker R) International Day of Women and Girls in Science.
Status: 3/22/2018-Chaptered by Secretary of State- Chapter 27, Statutes of 2018
Location: 3/22/2018-A. CHAPTERED
Summary: This measure would designate February 11, 2018, as International Day of Women and Girls in Science in the State of California and would encourage all Californians to observe the day and recognize the critical role women and girls play in advancing technology and innovation.

SB 947 (Jackson D) Pupil instruction: digital citizenship and media literacy.
Status: 3/14/2018-From committee: Do pass and re-refer to Com. on APPR. (Ayes 4. Noes 2.) (March 14). Re-referred to Com. on APPR.
Location: 3/14/2018-S. APPR.
Summary: Would require, on or before December 1, 2019, the Superintendent of Public Instruction, in consultation with the executive director of the State Board of Education, to identify best practices and recommendations for instruction in digital citizenship, Internet safety, and media literacy and to report to the appropriate fiscal and policy committees of the Legislature on strategies to implement the best practices and recommendations statewide. The bill would require the Superintendent to convene and consult with an advisory committee consisting of specified representatives in developing the best practices and recommendations.

**AB 2068**  
Location: 2/16/2018-A. U. & E.
Summary: Would require the Public Utilities Commission to coordinate with all electrical and gas corporations to evaluate the feasibility and economic impacts of establishing a public school electric and gas rate that would reflect a discount of at least 15% from the current rate structure. This report shall be submitted to the Legislature, by January 1, 2020, and includes specified requirements. The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement. This bill would provide that no reimbursement is required by this act for a specified reason.

Hueso D) Electrical and gas corporations: rates.
Status: 3/1/2018-Referred to Com. on RLS.
Location: 2/16/2018-S. RLS.
Summary: Current law requires the Public Utilities Commission to develop policies, rules, or regulations with a goal of reducing, by January 1, 2024, the statewide level of gas and electric service disconnections for nonpayment by residential customers, as specified, and requires the commission, in each gas and electrical corporation general rate case, to, among other things, conduct an assessment of and properly identify the impact of any proposed increase in rates on disconnections for nonpayment. Current law requires the commission to adopt residential utility disconnections for
nonpayment as a metric and to incorporate the metric into each gas and electrical corporation’s general rate case. This bill would make a nonsubstantive change to the requirement that the commission adopt residential utility disconnections for nonpayment as a metric and incorporate that metric into each gas and electrical corporation’s general rate case.
