

Commissioned Officers Association of the U.S. Public Health Service

CDR Christine Merenda, M.P.H., R.N.

Nurse Representative

Commander Christine Merenda is assigned to the FDA's Office of Minority Health, where she is the Program Manager of the Research and Collaborations Program. CDR Merenda started her career with PHS as a Jr COSTEP with the Bureau of Prisons. She went on to assignments with the Indian Health Service in Washington and the Center's for Medicare and Medicaid Services in Baltimore, Maryland. CDR Merenda was a Contributing Editor for ONS Connect, the news magazine of the Oncology Nursing Society, and is currently the Lead for the Newsletter Team of the NPAC. She has combined her support of physical fitness and love of running by serving as a race director, program coordinator, and RRCA-certified running coach for her local running club.
