Dear Disney Cruise Line:

As of January 2016 officers in the U.S. Public Health Service (USPHS) and the National Oceanic and Atmospheric Administration (NOAA) have been eligible for the military discount at Disney theme parks. Please see your website at <https://disneyland.disney.go.com/offers-discounts/military-tickets-discount/> to verify my statement.

It seems inconsistent that the Disney Cruise Line would not have the same military discount eligibility criteria as the theme park, but that seems to be the case at this time.

I am therefore requesting that you include both USPHS and NOAA officers in your military discount program. I point out that it is USPHS officers who are proudly highlighted in the attached placard, which appears in your ship passageways. It is USPHS officers that certify your cleanliness and readiness to sail.

Please do not hesitate to contact me about this matter.
