CHAPTER VISITS

It's a two-way street!

Well, actually, it's a conversation. An exchange. A dialog.

"It" is the annual CVMA chapter visit. Have some questions about tough professional issues? Something you need to know about CVMA initiatives? Want to better understand what CVMA is doing to serve you and advance the profession? Here are some of the topics on tap for discussion:

- How is my life going to change because of the Colorado legislature?
- What is CVMA doing to improve veterinary economics and wellbeing?
- Are there new learning opportunities on the CVMA horizon?
- Chapters and membership tiers - what's that all about?
- How is CVMA impacting public perception of veterinarians?

You're Invited!

Join the conversation with Dr. Sam Romano (CVMA president-elect) and Ralph Johnson (CVMA executive director). Bring your questions and ideas, and have some fun while engaging with colleagues.

It only happens once a year. Be part of it!
