WELCOME Founding Member

Monica Herman

Executive Director

**Catholic Foundation of Southern
Minnesota, Winona, MN**

"Leading our Catholic Foundation is a wonderful opportunity to work with amazing donors and staff, share my gifts for good, grow and share in my Catholic faith. I decided to join the Consortium early as a Founding Member as an opportunity to learn from others, not only best practices, but also what NOT to do! During the first couple years of the Consortium, I hope it will offer networking with like-sized foundations such as mine.

Catholic generosity to me is giving to another person something that is yours without obligation and without expectation, as an act of freedom that a person can choose to do...we have been blessed with donors who trust that their donations are used to forward Catholic ministries - my responsibility is to ensure that continues."
