Steering Committee Update

Grateful to Members for a wonderful CEO Symposium!

This year's theme: *"Though Many, We Are the Body of Christ"* was experienced in many special ways by all who attended! Kept in prayer during daily liturgy were members who intended, yet were unable to join us in Sioux Falls.

Each of you were missed!

A photo recap of the three-day experience is provided in this month's newsletter.

Member Annual Renewal/New Member Campaign has Begun!

We welcomed a few prospective members; all of whom stated at the event closing they plan in FY23 to become a member of the

Consortium! Praise God!

Members, we so value and appreciate your renewal for FY23!

"I joined as a founding member within the first few months because I believe it is important to collaborate and share best practices. We can learn so much from each other!"

"At this year's CEO Symposium in Sioux Falls, I chose to expand my member engagement by also becoming a Patron Sponsor. This gave me the opportunity to present our unique business model to my peers; inspiring other chief executives' consideration for campaign appeals and development consulting as prospective elements of their business model. We also wanted to enlarge our financial support to the Consortium in its first year. I was pleased to do so!"

"I love what I do...we need to build now for the future of our Church."

Special Gratitude to Our Spiritual Shepherds

In addition to celebrating the 10th anniversary of the CEO Symposium by sharing peer camaraderie and best practices, this year's CEO Consortium was designed with time for Catholic faith worship and fellowship. We are most appreciative to His Excellency, Donald E. DeGrood, Bishop of the Diocese of Sioux Falls, SD who celebrated a private Mass where he offered a very inspiring and encouraging homily. He was so gracious to grant a photograph with Consortium members inside the recently restored Cathedral of Saint Joseph! We also had the surprise gift of time hearing remarks shared by the former Apostolic Nuncio to the Holy See for Ukraine, Archbishop Thomas E. Gullickson prior to dinner the second evening, providing his brief assessment of the current situation in Ukraine. May God continue to bless each gentleman for their faith-filled leadership in our Catholic Church!

May Christ's love during this celebratory Easter Season be shared among us as we enjoy the gift of your fellowship!
