

TOM NORTON

REGIONAL HEAD OF SECURITY, NORTH AMERICAS – HENKEL CORPORATION

Mr. Norton has 30+ years of experience in business continuity and global security. He currently serves as the Regional Head of Security for North America at Henkel United States. He is a senior professional with strategic experience in post 9/11 global security operations, business continuation, crisis management, investigations and facilities space management for prominent global financial institutions and securities corporations. Mr. Norton has held leadership positions in a variety of organizations which provides him with a broad understanding of how to build and lead strategic decision-making teams focused on global security and organizational crisis management response. Mr. Norton previously served on the Board of InfraGard Connecticut and helped build the organization to include both physical and cybersecurity members. Mr. Norton holds a BS in Criminal Justice from University of New Haven.
