

CABOH ADVOCACY ALERTS

February 28, 2014 The Connecticut legislature is currently considering bills, holding hearings, and engaging in negotiations on several critical public Health issues. These Bills may help with protecting the Health and Safety of our citizens but also aid in in preparing for accreditation. Advocacy Action can help to meet process and documentation for Domains 5- *Develop Public Health Policies*. and 6 - *Enforce Public Health Laws*. n 6 of the Accreditation

Although some of these Bill may have already had a Public Hearing you can still voice you opinion to your legislator and or the committee from which the Bill originated in such as the Public Health Committee. Also if there is any legislation that you would like to share with other Boards send it to CABOH Advocacy Coordinator- Carolyn Wysocki
