Healthy Families → Healthy Communities

Healthy Families → Healthy Communities Strategies

1. Train bi-lingual & bi-cultural CHWs
2. Develop & present culturally-tailored health education modules
3. Conduct home visits to improve personal and environmental (home) hygiene
4. Collect feedback for health center quality improvement process

मेरो श्वासथ्यको म आफै जिमेवार छु

- धन्यवाद
- केहि प्रश्न छन ?
