

Are You a Newly Admitted Attorney?

The Statewide Mentoring Program for New Attorneys is designed just for *you!*

What is the Statewide Mentoring Program?

The Statewide Mentoring Program is a project of the Connecticut Bar Association in cooperation with regional bar associations statewide.

This exciting new initiative matches newly admitted attorneys with mentors who are experienced members of the bar. Mentors will provide guidance, direction and advice to new attorneys for an entire year. Newly admitted attorneys from any size firm, solo practitioners and those still seeking employment are encouraged to participate.

How Do I Sign Up?

For more information and to be placed on the list of mentees to be matched with mentors please contact:
