

**2018-2019**

## **BOARDS, COMMITTEES AND REPRESENTATIVES**

### **Awards Committee**

*Description:* The Awards Committee makes recommendations to the Executive Board for recipients of the major achievement awards of the Society, presented every year at the Annual Scientific Meeting. The committee also evaluates the awards process and recommends revisions as necessary.

### *Responsibilities*

- Between December and February, send out the call for nominations for the Papanicolaou Award, the Cytotechnologist Award for Outstanding Achievement, and the Excellence in Education Award.
- Maintain a list of nominees from the previous four (4) years.
- Review the scoring criteria and selection process that determine the candidates for the ASC Achievement Awards and provide any recommendations for revision to the Executive Board.
- Develop criteria for new awards, as needed.

### *2018-2019 Initiatives*

- Publish lists of prior awardee in the *Bulletin* and/or website so members have access prior to call for nominees and elections.
- Review the nominees' credentials and select at least two candidates for each award before the spring Executive Board (EB) Meeting.
- Provide the EB with the names of the candidates for awards along with a brief summary justifying their selection.
- Review applications and make recommendations to the CAP Foundation for the Zeiler Award.
