

**2018-2019**

## **BOARDS, COMMITTEES AND REPRESENTATIVES**

### **Cyto-econference Committee**

*Description:* The Cyto-econference Committee develops and manages the ASC Cytoconference program.

#### *Responsibilities*

- Select topics by considering learning gaps and perceived member interest.
- Select speakers based on their expertise and advise them regarding the format and the challenge of speaking without a live audience.
- Review evaluations to improve/sustain programming quality.
- Expand the “Special Webinars of Interest” or Hot Topics Webinars and have them presented rapidly after release of new information.
- Evaluate previously recorded/archived Cytoconference to determine if content is current; remove ineffective or outdated materials from circulation.
- Ensure education is developed in compliance with the requirements of the ACCME and ABP MOC.
- Sustain high quality in all programs by offering speaker training/tips via free webinars.

#### *2018-2019 Initiatives*

- Develop the 2020-21 Cyto-econference program for approval by the Executive Board at its board meeting (November 2019).
- Introduce VTM-type e-conference content to the program.
- Devise a system to select and balance ratio of seasoned to emerging cytology speakers.
