

2018-2019

BOARDS, COMMITTEES AND REPRESENTATIVES

***The ASC Bulletin* Editorial Board**

Description: *The ASC Bulletin* Editorial Board publishes *The ASC Bulletin*, an official publication of the Society provided to all members. The Board members write and solicit articles and advertisements and suggest improvements to the newsletter.

Responsibilities

- Work with the Executive Board and other committees to communicate issues of import to the ASC membership.
- Publish committee activities and reports.
- Solicit technical and clinical practice articles.
- Coordinate Case Study solicitation and publication with Case Study Committee.
- Reach out to all committees to submit articles for *The Bulletin*.
- Maintain communications with JASC to discuss where material should be published.
- Educate and promote the benefits of new technology developments to membership.

2018-2019 Initiatives

- Summarize annual ASC Committee accomplishments biannually in the *Bulletin*.
- Evaluate the new layout of the *Bulletin*.
