

2018-2019

BOARDS, COMMITTEES AND REPRESENTATIVES

eJournal Committee

Description: The eJournal Committee monitors *JASC* and other scientific journals and identifies articles of interest for the online education activity known as the eJournal Club.

Responsibilities

- Ensure education is developed in compliance with the requirements of the ACCME and ABP MOC.
- Evaluate the eJournal program effectiveness.

2018-2019 Initiatives

- Explore e-design means of evaluating eJournal performance when evaluating articles to allow for comparison across programs.
- Evaluate previously submit eJournals to determine if content is current; remove ineffective or outdated materials from circulation.
