Non-Members

If you have already created an account (when you claimed credits from the annual meeting) you do not create a new account, you will login and proceed to make your submission.

If you are new to this site, click on Non Member log in. You must create a Non-Member profile by clicking on the link at the bottom of the page (see image below).

Create Non-Member Profile

1. Use this [link](#) to create a profile.
2. Receive an email from ai-support@communitybrands.com with your assigned password.
3. Log in with your email address and assigned password.
4. Reset your password once you land on the Dashboard using the link.
5. Click "Submissions" to begin.
