

Locations of DHPE Projects and Services, Oct 2010 - Feb 2013

*State may have received multiple SPH trainings in a particular course and have multiple interns in a given session.

Membership - current registered members who have paid dues for 2013 as of Feb 28, 2013.

Shaping Policy for Health Courses - includes all courses held from Oct 2010 through Dec 2012.

Intern Sessions - includes states that had one or more intern for each session starting in Jan 2011 through May 2013.

Fellows - includes fellows from 2011-2012 and site locations for the 2013 fellows that are currently being recruited.

Community Market Analyses Project - current grantees are funded through Sep 2013. Former grantees did not have grants renewed for current year but participated in the program between Oct 2010 and Sep 2012. States receiving technical assistance have purchased access to the data sources and technology used in the CMA project and participate on technical assistance calls.

School Employee Award Winners - includes winners from 2011 and 2012; 2013 winners have not yet been announced.

Coordinated School Health -- states where DHPE provided technical assistance and training resources from Oct 2010 through Feb 2013.
