

# Banner Stands for Order

We are excited once again at the prospect of having a large display of Daughters of the King banners on display at Triennial. For Triennial 2018, we will not be hanging the banners from the walls or ceiling, therefore, please be advised to bring a stand for your banner. If you are in need of one, please see the option on this page of having one made by our Province V Daughter, Penny Campo-Pierce.

## PVC Banner Stand

Hi! I'm Penny Campo-Pierce from Province V.

A few years ago I made PVC banner stands for some of the chapters in my DOK province assembly. I am again in the banner stand business, as a way to help with the need for stands at Triennial. As you can see from the drawing (sorry, it's not exactly to scale :-), the stand can be separated into its pieces for easier transport. The stand is approximately 76 inches tall. A notch is cut in the top piece to hang your banner in.

If you need a banner rod that comes apart, those are also available. The rod is 50 inches in length and 3/4" PVC pipe. Notches are cut so the "rope" you use to hang your banner will be secure.

I am taking orders and will have the parts of your stand at the Triennial hotel for you to pick up when you get there. I will NOT be providing a carrying bag for the stand that you will need for getting your stand home. The bag an outdoor chair comes in works perfectly and is small enough to be a carry-on.

If your banner has larger measurements than those indicated, please put the measurements on the order form so your stand can be made to fit.

\$30.00 for one banner stand

\$5.00 for one banner rod

Cut on dotted line and send the order form to:
