

# THE DYSPHAGIA RESEARCH SOCIETY

22<sup>nd</sup> Annual Meeting
March 6 – 8, 2014

Post-Graduate Course: Treatment Across the Lifespan March 5, 2014

Loews Vanderbilt Hotel • Nashville, Tennessee

Jointly sponsored by the Dysphagia Research Society and Continuing Medical Education Resources, Inc.

# Conference Information

## Course Overview and Intended Audience

This meeting is designed for a variety of clinicians, researchers, resident physicians, fellows and students from a wide range of disciplines including gastroenterology, neurology, otolaryngology, radiology, speech-language pathology, nutrition, biomedical engineering, dentistry, pediatrics, psychology and basic sciences, who take care of patients with swallowing disorders, including aspiration, and/or conduct research on patients with swallowing disorders.

#### Course Format

Different formats were chosen, based on the target audience for that particular activity. For example, didactic lectures were chosen for disseminating an established set of new information that needed to be conveyed to the entire membership in a uniform manner. For areas of controversy, a point-counterpoint discussion between thought leaders with divergent viewpoints were developed, with time for input by the audience. Akin to this, each session is moderated by an expert that will be directing questions to the panel and integrating responses from the participants to stimulate in-depth discussion at the end of each section. Using these varied educational methods will increase the likelihood of achieving the objectives and desired results.

# **EDUCATIONAL OBJECTIVES**

Following the conference, the participant should be able to:

#### **Post-Graduate Course**

- Compare validated clinical screening tools that are used to identify a person with dysphagia
- · Evaluate the evidence base for exercise interventions for dysphagia
- · Compare exercise interventions commonly used for treating neurogenic dysphagia
- Recognize the long-term effects of chemotherapy and radiotherapy on swallowing outcomes and quality of life for patients with head and neck cancer
- Describe the biomechanical and molecular that lead to aspiration pneumonia
- Select appropriate surgical interventions or referrals for interventions for UES dysfunction

#### **Annual Meeting**

- · Compare statistical significance to clinical significance for dysphagia treatment
- Describe the benefit of obtaining anterior/posterior views on videofluoroscopic swallow studies
- Describe the complex interaction between patients and medical professionals during dysphagia diagnosis and management
- Specify how to obtain information on ethics in dysphagia management
- Recognize how 3-dimensional imaging contributes to interpreting normal and disordered swallowing physiology

#### CME Accreditation and Credit Designation

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education. Continuing Medical Education Resources is accredited by the ACCME to provide continuing medical education for physicians.

Continuing Medical Education Resources designates this live educational activity for a maximum of 23.75 *AMA PRA Category 1 Credits* <sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

# 2014 DRS FACULTY LISTING

The breakdown of *AMA PRA Category 1 Credits* ™ is as follows: Post-Graduate Course: Maximum of 6.25 AMA PRA Category 1 Credits TM Annual Meeting: Maximum of 17.5 AMA PRA Category 1 Credits ™

The Specialty Board on Swallowing and Swallowing Disorders is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. ASHA approval of CE Provider status does not imply endorsement of course content, specific products, or clinical procedures.

Continuing Eurociani process

of the American Speech
language-Hearing Association
(ASHA) to provide continuing
(ASHA)

education activities in speech guage pathology and audiology. See course information for nber of ASHA CEUs, instructional level and content area. ASHA number of ASHA CEUs, instructional level and content utes. Collectic Provider approval does not imply endorsement of course content, specific products or clinical procedures. The break down of CEUs is as follows: Post-Graduate Course: This course is offered for up to 0.6 ASHA CEUs (Advanced Level; Professional Area) Annual Meeting: This course is offered for up to 2.15 ASHA CEUs (Advanced level; Professional Area) An annual ASHA CE Registry fee is required to register

ASHA CEUs. CE Registry fees are paid by the participant directly to the ASHA National Office. The annual ASHA CE Registry fee allows registration of an unlimited number of ASHA CEUs for the calendar year. Contact the ASHA CE staff at (800) 498-2071 ext. 3 or visit www.asha.org/ce/CEUs/CERegistryfee/ for CE Registry fee subscription information.

## 2014 DRS FACULTY LISTING

#### Julie Barkmeier-Kraemer, PhD, CCC-SLP

Financial Disclosure: Salary: University of California at Davis Medical Center, Sacramento, California

Nonfinancial Disclosure: Member: Dysphagia Research Society; DRS 2014 Program Planning Committee

## Giselle Carnaby, MPH, PhD

Financial Disclosure:

Salary: Swallowing Research Laboratory, University of Florida, Gainesville, Florida

Grant/Research Support: NIH/NIDCD; NCI Faculty Concession/Honorarium

Member: Dysphagia Research Society

# Michelle R. Ciucci, PhD, CCC-SLP

Financial Disclosure:

Nonfinancial Disclosure:

Salary: University of Wisconsin, Madison, Wisconsin Grant/Research Support: University of Wisconsin; National Institutes for Health

Nonfinancial Disclosure:

Board Member: National Foundation of Swallowing Disorders; American Parkinson Disease Association

Member: Dysphagia Research Society; DRS 2014 Program Planning Committee

#### James L. Coyle, PhD, CCC-SLP

Financial Disclosure:

Salary: University of Pittsburgh, Pittsburgh, Pennsylvania;

NIH-RO-1 25% effort

Teaching and Speaking Fee: Northern Speech Services Faculty Concession/Honorarium

Speaker honorarium: Northern Speech Services (seminars);

various state SLP conventions Nonfinancial Disclosure:

Member: Dysphagia Research Society;

DRS 2014 Program Planning Committee

#### Stephanie K. Daniels, PhD, CCC-SLP

Financial Disclosure:

Salary: University of Houston, Houston, Texas

Faculty Concession/Honorarium

Grant/Research Support: Department of Veterans Affairs

Royalties: Plural Publishing Company

Nonfinancial Disclosure:

Member: Dysphagia Research Society; DRS 2014 Program Planning Committee

#### Amanda Domer, MS, CCC-SLP

University of South Florida, Tampa, Florida

Financial Disclosure:

No relevant financial relationship exists

Nonfinancial Disclosure:

Board Member: Dysphagia Research Society –

Ad Hoc Student Councilor

# REGISTRATION INFORMATION

#### Register now at www.dysphagiaresearch.org!

There are three easy ways to register:

- · By internet at www.dysphagiaresearch.org
- By fax at 713.960.0488\*
- By mail at DRS Management Office, 4550 Post Oak Place, Suite 342, Houston, Texas 77027\*

## REGISTRATION FEES

	On or Before 1/24/14	After 1/24/14	On-Site† 2/24/14
Post-Graduate Course Open to all participants – Not included in Annual Meeting fees.	\$175	\$225	\$245
Annual Meeting DRS Members – Physicians, Dental Surgeons	\$600	\$650	\$700
DRS Members – Allied Health Professionals, Non-Health Professional Scientists	\$450	\$500	\$550
Non Member - Physicians, Dental Surgeons	\$700	\$750	\$800
Non Member – Allied Health Professionals, Non-Health Professional Scientists	\$550	\$600	\$650
Students and Residents**	\$250	\$300	\$320

<sup>\*\*</sup>Verification of Student or Resident status must be submitted.
