

# Education Foundations: Creating Strategic Impact & Navigating EduData

# Welcome- Chancellor Oliva

# How do you define *Strategic Impact*?

# Strategic Impact

**Strategic Impact** – Maximizing the effects of funding through innovative, focused initiatives that impact specific objectives

# Creating Strategic Impact

- **District Strategic Plan** – multi-year plan that serves as the focus and driving force for all district initiatives. It can be accessed through school district websites.
- The **District Strategic Plan** expresses the highest priority needs of the district, and it provides insight into how resources are allocated.

# Creating Strategic Impact

- **Schoolwide Improvement Plan (SIP)** – Annual plan that serves as the focus and driving force for all school-based initiatives. SIPs can be accessed at [www.floridacims.org](http://www.floridacims.org).
- The SIP provides an overview of the school and identifies the specific Areas of Focus for the current school year and previous years.

The Continuous Improvement Management System (CIMS) was developed by the Bureau of School Improvement (BSI) to help serve the needs of stakeholders across Florida. This site provides district and school teams an online platform for collaborative planning and problem solving.

All districts and schools in Florida are welcome to use CIMS. Please reach out to your district School Improvement contact to request an account, or contact [bsi@fldoe.org](mailto:bsi@fldoe.org) for further assistance.

**Public Access**

[Click here](#) to access current and prior year plans that are published for specific districts and schools.

**Online Support**

Are you new to CIMS? Please [click here](#) to learn the features and functions of CIMS. Do you have specific questions? Please [click here](#) to watch a tutorial on how to access our online support.

**"Education is not the filling of a pail, but the lighting of a fire." - William Butler Yeats**

## Support Breakdown

### Details

Overall Federal Index ⓘ

Low Overall Federal Index = 40% or Less

A school is identified for **Comprehensive Support & Improvement (CS&I)** if it earns a D or F school grade, has an overall Federal Index of 40 percent or less, or has a graduation rate of 67 percent or lower.

A school that is not identified for CS&I, but has an underperforming subgroup (any subgroup with a Federal Index at or below 40 percent), is identified for **Targeted Support & Improvement (TS&I)**.

The Florida Department of Education will provide support to school districts to reduce the achievement gap by increasing student achievement in CS&I and TS&I schools.

## Assessments - Academic Achievement, Growth, and Participation

[Achievement](#)[Growth](#)[Participation](#)[Alternate Assessment](#)

### Alternate Assessment - Participation

All Florida students participate in the state's assessment and accountability system. The Florida Standards Alternate Assessment (FSAA) is designed for students whose participation in the general statewide assessment program (Florida Standards Assessments, Statewide Science Assessment, or Next Generation Sunshine State Standards End-of-Course Assessments) is not appropriate, even with accommodations.

# English Language Learners

## Progress in English Language

### Assessments - English Language Learners

# Planning for Strategic Impact

# Grant Guidance

- Provide specific guidance to ensure that the plan determines the strategies that have evidence of positive impact, as well as the following:
  - Measurable outcomes
  - Progress monitoring
  - Contingency plan
  - Final report
- Ensure that all relevant stakeholders are involved in the development of the plan
- Determine that requests in the project plan are **reasonable, allowable, and necessary**

# Project Request Criteria

## REASONABLE

Expenditures whose nature or amount does not exceed what would be incurred by a prudent person

## ALLOWABLE

Expenditures under a grant that are permitted or not prohibited

## NECESSARY

Expenditures must be essential to completing the scope of work in the project

**All three criteria are essential.**

# Recipient Responsibilities

- Follow specific guidance to ensure that the project plan impacts the strategies that increase student achievement
- Ensure that requests in the project plan are **reasonable, allowable, and necessary**
- Ensure or establish a process for progress monitoring throughout the project
- Develop a contingency plan for the project
- Provide updates and a final report to measure the outcomes of the project

# Impact on Student Outcomes

- Technology
- Textbooks- alignment to standards?
  - Site: [www.edreports.org](http://www.edreports.org)
- Supplies
- Personnel
- Professional Development
- Contracted Services
- Travel/Field Trips

# Math K-8 Summary of Alignment & Usability

#### Gateway 1: FOCUS & COHERENCE

Gateway 2:  
RIGOR & MATHEMATICAL PRACTICES

# Strategic Impact Best Practices

## Check for Alignment

- Review the District Strategic Plan and/or the Schoolwide Improvement Plan (SIP).
- Gain clarity on how the request directly supports or reinforces the major initiatives and highest priorities of the district and school.

Most people **fail** in life  
because they **major**  
in **minor** things.

- Tony Robbins

Goalcast

# Strategic Impact Best Practices

## Assess the Scope of the Plan

- The proposed plan should address priority needs of the school/specific subgroup.
- The proposed plan must have a clear, specific focus. Beware of mission creep and ambiguity.
- If too many areas are identified as priorities, none of them receive adequate attention.

You will never reach  
your destination  
if you stop and throw stones  
at every dog that barks.

Winston Churchill

# Strategic Impact Best Practices

## Include Input from Various Stakeholders

- Consider how families, businesses, and other community stakeholders can contribute to the development and implementation of the initiative(s).
- District and school initiatives are most effective when they are a collaborative effort.

If you want to walk fast, walk alone.  
If you want to walk far, walk together.

- African proverb -

# Strategic Impact Best Practices

## Consider the Sustainability or Continuation of the Project

- Evaluate the plan for the continuation of this initiative after the support has been spent.
- Ensure that the initiative supports a high leverage, long-term priority for students.

"Long-term consistency trumps short-term intensity."

- Bruce Lee

### Assessments - Achievement (Achievement Levels 1-5)

Florida School and District Grades consist of four achievement components: English Language Arts, Mathematics, Science, and Social Studies. These components include students who took a statewide, standardized assessment (comprehensive or end-of-course [EOC]) and received a valid test score. The charts and tables below display student assessment results by each of the five achievement levels.

# School Report Card Subgroups

## Support Breakdown

[Details](#)

Overall Federal Index ⓘ

Overall Federal Index, 50%

Low Overall Federal Index = 40% or Less

A school is identified for **Comprehensive Support & Improvement (CS&I)** if it earns a D or F school grade, has an overall Federal Index of 40 percent or less, or has a graduation rate of 67 percent or lower.

A school that is not identified for CS&I, but has an underperforming subgroup (any subgroup with a Federal Index at or below 40 percent), is identified for **Targeted Support & Improvement (TS&I)**.

The Florida Department of Education will provide support to school districts to reduce the achievement gap by increasing student achievement in CS&I and TS&I schools.

D or F School: ☐ Low Overall Federal Index: ☐ Low Graduation Rate: ☐
