## Expanding the Arts

### ELIA Biennial 2020: an online interactive extravaganza

designed to energise and kindle international connections and ignite collaboration. In partnership with Zurich University of the Arts (ZHdK), thought leaders from the arts and academia, teachers and students, producers and practitioners will explore the brightest, boldest transdisciplinary ideas and practices.

## OVER 40 SPEAKERS CONFIRMED

Enjoy four action-packed days of experiential conversation, provocation and exploration. Academics at all levels will share what they have learned, and together, harness the power of transdisciplinarity. How can arts education become a powerful catalyst for positive transformation in a post-COVID world?
