Guidelines: ELIA Emerging Artists Showcase 2024

<u>General requirements</u>

- Artist name

- Artwork name (if available)

- Institution

- Media credits (photographer)

- Artist's social media (If available)

- If the artwork has any text accompanying it (such as a backstory or further context), we will also gladly accept this (please include this in the media credits document)

Video requirements

- Should be sent in mp4 format for us to be able to upload to Vimeo

- If already uploaded online (on Vimeo or YouTube), should be without a password to allow for embedding. This will be posted on the ELIA Student Showcase website.

Audio requirements

- Should be sent in mp3 format along with an image. We will upload this to the ELIA Vimeo, and we will need an image to accompany the audio. In case you do not have one available, we can provide this (stock image).

Submit the works through a file transfer service (Google Drive, WeTransfer, DropBox).

We respect the outstanding work created by your students. Therefore, we kindly ask you to inform your students and gain permission before submitting their work/projects as part of the ELIA Emerging Artists Showcase. Thank you for your cooperation in supporting our commitment to student ownership.
