

TEACH LEAD[®]

Teach to Lead envisions a world in which teachers are valued as the foremost experts in instruction and, as such, are leaders in developing, informing, and implementing education policy and practice to steer systemic improvements to benefit student learning.

3 OBJECTIVES

1

Increase pathways and opportunities for teachers to exercise leadership

2

Elevate teacher voice to inform and develop policy and practice

3

Expand existing efforts and create models to steer systemic improvements to benefit student learning

JOIN THE MOVEMENT

Teacher Leadership Summits engage teams of educators in two-day workshops, turning their transformative ideas into actionable plans. Educators come together with a personal passion to transform schools and the teaching profession to better meet the needs of students.

Leadership Labs are more intimate daylong meetings intended to increase or expand the progress of a single Teach to Lead team. These collaborative events enable all stakeholders to share best practices, identify challenges, and, ultimately, create actionable commitments.

POWERED BY

TEACH  LEAD[®]

Powered by Teach to Lead events support organizations that are interested in building on the Teach to Lead model to conduct similar teacher leadership summits that provide the flexibility and support necessary to meet the unique needs of promising teacher-led projects.
