Dear Saint John Paul II Family,

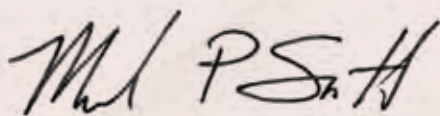

Thank you for continuing to support our schools. During the past year we have successfully maintained a balanced budget while beginning construction on our newest school, Trinity Elementary School and increased our endowment. As we continue to grow, we remain steadfastly rooted in our traditions. We truly are a *“Community inspiring excellence through faith, service and learning.”*

Our schools thrive because of the people who make up our community. Teachers, students, parents, grandparents, alumni, community members and longtime friends of our schools have created schools “Where students are given the opportunity to be academically and spiritually excellent” (as stated by Shanley Junior Summer Kubalak in the prayer she wrote for our Together! Campaign) day in and day out. We are continuing to execute our strategic plan that will make our schools not only viable for years to come, and ensure that our graduates enter the world ready to make a difference by living their lives as a gift to God.

This annual report is a snapshot of our financial status. We encourage you to come to our “State of the School Address” on April 9 for an interactive overview of our schools.

We appreciate all the people who help make our schools a special place. We believe our schools offer hope for a stronger and brighter future because of the people committed to our mission. “The Mission of the Saint John Paul II Catholic Schools is to *inspire exceptional student achievement* by teaching the *total person* and fostering the following of Christ in an *environment guided by the Gospel spirit*, as taught by the *Catholic Church*.” Our mission is bold and challenging, its manifestation is only possible from your support, thank you!

Peace,

Dr. Michael Smith
Superintendent
Saint John Paul II Catholic Schools

Presentation Sisters Legacy Society**Honor Roll of Donors****Presentation Sisters Legacy Society**

The Presentation Sisters Legacy Society plays a key role in preserving and advancing the Legacy of Catholic education originated in 1882 in Fargo by the Sisters of the Presentation of the Blessed Virgin Mary. Members of this Society have included the JPPII Schools in their estate plans with a gift through their will, trust or other beneficiary designation.

This Society was established in 2012 with the \$1,000,000 trust gift from Ron and Marlene Hoffart and their generous support and commitment to Catholic education and the Legacy of the Presentation Sisters. If you have included the JPPII Catholic Schools in your estate plans, we want your name listed here. Please contact Joelle Shewey at 701-893-3225 or Joelle.Shewey@jp2schools.org to find out more about the Presentation Sisters Legacy Society.
