Deacons Experience a Home Field - Football Captures State Title - Record Donation Allows Stadium Completion

Shanley completed our first year with a home field for varsity athletics in soccer and football. It was a memorable year! Sid Cichy Stadium and the Field Turf field coupled with large crowds and an exuberant student body provided a significant home field advantage. The varsity boys' soccer, football and girls soccer teams combined for a 12 win 3 loss and 2 tie home record. All 3 teams made it to the State Tournament with the Deacon Football team winning the State Championship!

The term "standing room only" described almost every game. Primarily because the temporary

stands loaned to us by our friends at Oak Grove only had capacity for a few hundred people. The lack of seating did not deter the fans. There were excellent crowds for each home game with the football games against Detroit

Lakes, Wahpeton, Central Cass and Carrington packed around the whole field.

Homecoming Dedication

The Homecoming Game against Central Cass was especially memorable with the blessing and dedication of Sid Cichy Stadium. The Cichy Family was well represented with Mike, Kate, Joe, Mary, Nick, Greg, Lil and Steve and many of their family members in attendance. Bishop Aquila blessed the field. Donors Shelly Ellig and Mike and Karen Hofer were recognized for their significant support that made this home field possible.

Having a partially completed home field also offered plenty of challenges. Muddy rock walkways, concession trailers and portable bathrooms kept fans and Activities Director Randy Nelson on their toes. The death of sophomore football player Nick Bailey the week of the Wahpeton game was especially difficult for our entire FCSN Community who relied heavily on their faith to withstand the

tragedy.

Sid Cichy Stadium also proved to be a benefit for the greater community. It was used by many area teams including Concordia Soccer and JV Football, MSUM, FM Athletics Football and youth soccer teams. The value of the Field Turf field was especially evident when Shanley was able to host the ND Boys State Soccer Tournament with less than 24 hours notice. The grass fields in Jamestown were wet and snow covered causing cancellation of the Thursday games.

Thursday afternoon it was decided to move the game to Fargo and Sid Cichy Stadium. Mr. Nelson, staff and many volunteer parents went into high gear and teams began play at 9 AM on Friday morning.

The Deacons were the State Champions

The defending state champion football team and boys and girls soccer teams are really looking forward to their upcoming seasons. The Fargo Catholic Schools Network recently received the largest financial gift in the history of our schools. The \$2,000,000 gift from an anonymous donor will enable us to proceed with Phase 2 Construction of our Legends and Legacies Capital Campaign – Sid Cichy Stadium Completion. This includes stands for 1500 people, entry gate, walking paths, press box and the necessary fencing and landscaping. Barring any weather or material complications, we expect the Stadium to be ready for Homecoming against Valley City on

Deacon Boys Soccer

October 1.

This very generous gift dedicates \$1,000,000 to the Capital Campaign with the remainder to be used for maintaining and growing enrollment through quality programs, faith formation and affordability of Catholic Education. The donor is making this gift “in appreciation for the formation gained through the Fargo Catholic Schools, especially Sacred Heart Academy and Shanley High School and the hundreds of teachers and coaches like Sid Cichy who dedicated their lives to the development of young men and women.” The donor wants to “give back so others have the opportunity for formation critical for success” that the donor experienced. We are deeply moved and grateful for the investment this donor is making in the formation of our students and for the message that has been

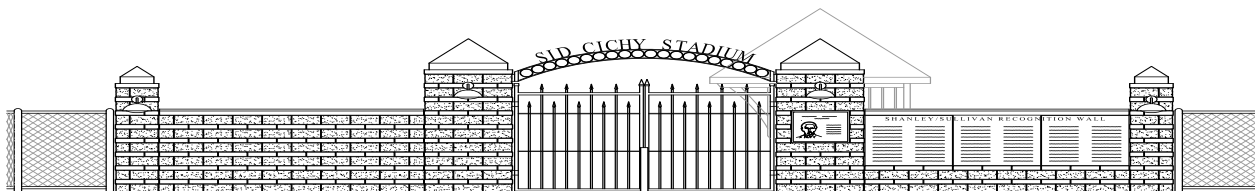

conveyed.

The Legends and Legacies Campaign is now a little over a \$1 million away from our initial goal of \$7 million. When we reach this goal, the final phase of construction, the building addition to benefit all of our activities, will be completed. We will be reaching out to all of our alumni, alumni parents, parents and friends to help us reach this milestone. We hope you will be a part of this historic project that provides opportunities to all of our students to develop into “the total person”.

We invite all the members of our Deacon Family to experience a game this season so

we can Welcome you Home. Game schedules can be found on our alumni website at <http://alumni.fcsn.k12.nd.us/>

Our Beloved Faculty

Dedication

The Fargo Catholic Schools have been successful in our Mission "...to teach the total person and foster the following of Christ..." for over 128 years in large part due to the commitment and dedication of our educators, staff and administrators starting with the Presentation Sisters. This past spring 3 of our dedicated educators who helped form thousands of students retired. Dorothy Jordan from Holy Spirit and Lavonne Elliott and Maureen Ness from Nativity retired with over 100 combined years of teaching. We will miss their loving contributions and thank them for their years of service. If you would like to send a message to these teachers, we will be happy to forward it for you.

There are many Fargo Catholic Schools Network employees who have also spent many years dedicated to the formation of our young men and women. We would like to recognize and thank the following employees who have each dedicated 20 years or more to "...fostering the following of Christ..."

Where Are They Now?

Bill Marcil, Jr: Class of 1983

by: Todd Mickelson, FCSN Development Director

Bill Marcil Jr, Class of 1983, is on a journey on a road less traveled. His quest is not new. What is beauty? The ancient Greeks defined beauty as "being in one's finest hour". The definition of beauty

Bill and Chris Marcil

today is so often associated with physical beauty. Bill and his wife, Chris Linnares, invite you to join them on this journey through photographs and stories in their book and documentary, *Beautiful Women of North Dakota*.

As a visual artist, immersed in media, Bill has spent a great deal of time, energy and passion focusing on beauty: a shadow, a landscape, architecture and people. His familiarity with and perception of beauty made him very aware that women were being inundated with media representations of physical beauty. This inundation is emphasized by a simple Google search of "beautiful women". The results generate 86,800,000 sites that overwhelmingly focus on physical beauty including "women in waders". Bill explains on his website: **"Beautiful Women of North Dakota started with an idea that**

came to me some years ago, sparked by my experience as a single dad raising two young girls. Noticing the tremendous emphasis on physical beauty in magazines, television, and even in my own work, I wondered how I could expose my daughters to beauty that wasn't ephemeral—beauty that would inspire them and pass the test of time."

As a photographer, Bill wanted to use the same tools to educate that are used to exploit. The idea and desire for the project continued for many years. The journey accelerated when Bill's wife, Chris Linnares, a noted best-selling author and psychotherapist from Brazil, encouraged Bill to capture the stories of the women she was meeting in North Dakota.

In the fall of 2008, advertisements were placed in newspapers across North Dakota. People were encouraged to nominate women in their lives who

demonstrated the beauty of believing, service, creativity, caring, love, etc. The advertisements generated 200 nominations with wonderful stories of North Dakota women. A panel of 5 women read through the nominations from family members and friends who saw true beauty in these women. They identified 22 women whose stories needed to be explored. The road beckoned.

Bill Marcil and family in Medora

The next step was to capture their stories in both images and written word. The women were spread across North Dakota. In June of 2009, Bill, Chris and daughters Isabelle, Zoe and Luiza set out on a road trip in two motor homes with Bill's parents, Jane and Bill, Sr. Not only did they confirm, capture and commit to telling the story of true beauty of these women, they were able to experience another road less traveled, the beauty of North Dakota.

The remainder of the summer and early fall of 2009 was spent with the stories and images of these 22 women of North Dakota. Their inspiring stories and beautiful images were shared on November 19, 2009 with the release of the photography book,

BEAUTIFUL WOMEN OF NORTH DAKOTA, at the Rourke Art Museum in Moorhead. The women were given the red carpet treatment associated with beauty. The event was a true celebration with moving comments by North Dakota Governor and First Lady, John and Mikey Hoeven.

Bill knows the road will be long on this journey of expanding the perception of beauty. He is staying the course. This fall, through Market Place for Kids there will be over 15,000 children in North Dakota who will have the opportunity to do a beautiful women project in their communities.

You can join Bill on his journey at <http://beautifulwomenof.com> where you can purchase the book, communicate with Bill and watch the documentary with award winning music by his daughter, Izzy, who is a Shanley sophomore. Perhaps you would like to be an advocate of Beautiful Women in your area? Chris Linnares' message of empowering women can be found at <http://www.chrislinnares.com>

Shanley Music Students Tour New York City

By: Rebecca Raber- FCSN Choral Director

This spring's choir and band tour to New York City was highly anticipated by everyone. Last year's tour had to be cancelled due to the extreme flooding in the Red River valley. The students worked very hard in preparation for their trip, both in their required fundraising and musically for their performances.

Although the bus ride was long (about 24 hours), the spirits were always high. The students were absolutely fantastic throughout the tour. They followed direction, took care of each other, were respectful to all those we encountered and were very appreciative of every opportunity they had.

Students had abounding opportunities for musical, cultural, academic and spiritual growth while on tour and they took advantage of each one of them. A partial list of these opportunities we encountered are listed below:

While on tour, our students:

- saw the works of Monet, Pollack, Renoir, Warhol, Gauguin, Goya, Michaelangelo and other world famous artists

- saw an original copy of the Guttenberg Bible

- watched a modern-day Romeo and Juliet story

Shanley Students Perform at St. Paul's Chapel- Ground Zero
"Singing at St. Paul's Chapel was an extremely powerful experience. I was moved to tears during our performance of "Our Father". The tour was a really fun, smooth flowing experience. Performing on the streets was priceless."
 ~Max Tolstedt (sophomore)

(West Side Story)

-sang part of a Requiem in the cemetery across the street from Ground Zero

-saw the only surviving manuscript of Voltaire's *Candide*

Shanley Students appeared on the TODAY show

-paid respects to John Lennon at Strawberry Fields in Central Park

-demonstrated the mission of Shanley High School each and every day

-met and talked with a 911 attack

survivor

-visited the Museum of Natural History

-impressively managed to shower 130 people in only 50 minutes in Hazelton, Pennsylvania (wow...harrowing, but impressive feat)

-experienced a panoramic, bird-eye view of the NYC skyline at the top of the Rockefeller Center

-avoided getting hit by a taxi

-worshipped with an authentic Italian-American Catholic Church in the Village (it was a record-setting collection plate for them)

-visited a Latin Mass at St. Patrick's Cathedral

-basked in the lights of Times Square

-saw an extensive historical musical instrument display

-saw original, handwritten manuscripts from famous composers at Carnegie Hall

-witnessed the bustle of Grand Central Station

-appeared on the TODAY

-got emotional at the NYC Fire Department Memorial Wall

-saw one of Thomas Jefferson's personal copies of the Declaration of Independence that he made and sent to friends, which included the parts that Congress removed from the final draft (which apparently had upset him)

-had a clinic with decorated conductors at Seton Hall University (private Catholic institution)

-learned how navigate complicated streets with an enormous amount of traffic

-experienced Central Park in the spring

-saw retired revolutionary historical ships at South Street Seaport and Battery Park

-sang numerous "street corner" performances and attracted groups of people

-saw "George Washington's pew" that he occupied the two years the United States Capitol resided in New York City

"I really enjoyed the opportunity to conduct the choir. It gave me a taste of what my music career might be like."

~Jacob Dixon (senior)

-took care of each other while on tour

-sang the National Anthem at the Statue of Liberty

-had the opportunity to see various special collections at the NYC Public Library, including memorabilia from Charles Dickens, Lewis Carroll, Mary Shelley

-worshipped, played and sang in the sacred space of St. Paul's Chapel, recovery site at Ground Zero

-cooperated and sacrificed to

be able to travel in a group of 130 people

-sang in Carnegie Hall (in the lobby, but that doesn't matter!)

-didn't get crabby once (honest truth)...even after a 24 hour bus ride to and from NYC

Some of the best memories:

-We were a little behind schedule, so we had to ask the students and parents (130 of them) to shower and get ready for our first performance in only 50 minutes at a Health Club in Pennsylvania. They did it and they did it without complaint! It was impressive to watch the bustle of activity, knowing each student was sacrificing and sharing for the good of the group. We walked in the place looking weary from traveling 24 hours on a bus overnight and walked out 50 minutes later in tuxes and gowns, looking like a million dollars!

-Seeing our students take in the Ground Zero experience was very moving. They sang and played so beautifully to an appreciative audience in St. Paul's Chapel, which is directly across the street from Ground Zero. Then Sandpebbles and Quintessence

Shanley Students perform at Seton Hall

sang a part of a Requiem in the graveyard outside. It was a goosebump moment for all of us. The students had time to explore the September 11 exhibits in the church and listen to the painful stories from attack survivors.

-The impromptu public performances always seem

to be a favorite while on

tour. We sang on the steps of the NYC Public Library, the Statue of Liberty, Carnegie Hall, the top of the Rockefeller Center, etc. People enjoy listening to a group of great and enthusiastic young singers as much as the students enjoy the

awe of singing in these famous

places!

-Watching the students embrace their leadership roles was very gratifying. Each bus had student leadership that was responsible for announcements, directions, morning/evening prayer. Students leaders received all instructions via walkie talkie from the directors and then delivered all them to all the tour participants. Upperclassmen used their years of experience to help younger members on the tour. There were also student conductors that directed pieces while in NYC and at the Statue of Liberty.

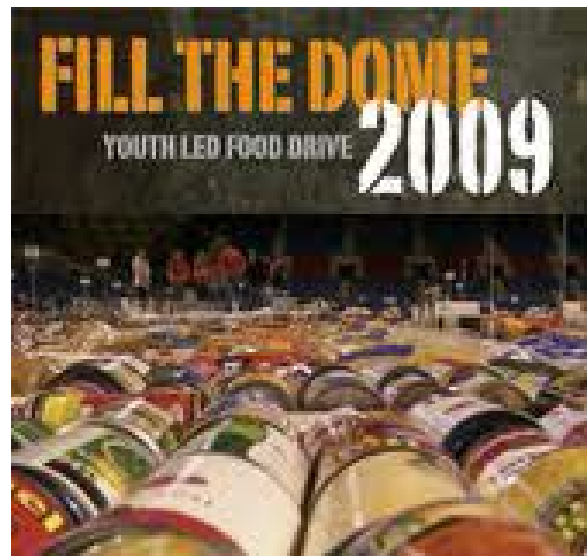

Holy Spirit Elementary Takes "Fill the Dome" Title Third Year in a Row

By: Joelle Shewey

Beginning in 2007, students from the elementary to the high school level all over the Fargo-Moorhead area have joined together in November to fill the floor of the Fargodome for local food pantries. Each school conducts their own food drive, and then takes their food to the Fargodome. Each school is judged on the amount of food raised (based on a "per student ratio").

Holy Spirit Elementary has taken 1st place in the "Elementary School Division" every year since Fill The Dome began.

Since 2007, Fill The Dome has filled the floor of the Fargodome three times and raised (collectively) over 200 tons of food and over \$150,000 to support local food pantries.

Annual Memorial Mass

By: Todd Mickelson, FCSN Development Director

The 37th Annual Memorial Mass was held in the GROW Auditorium at Shanley on Monday, November 2, 2009 on All Souls Day. The annual Memorial Mass at Shanley High School was originated in GROW (Greatness Requires Our Willingness) 37 years ago for members of the Shanley family who had passed away and as an opportunity to raise funds for Shanley High School through Memorials. This Mass is said each year to remember and pray for Fargo Catholic Schools Network and Shanley High School alumni and friends who were memorialized during the preceding year. This Memorial Mass is attended by family members of those who have been memorialized and Shanley High School students and staff. The Mass exercises our duty and dignity to care for the souls of the faithful departed as part of the FCSN Mission "...to teach the total person and foster the following of Christ in an environment inspired by the Gospel Spirit, as taught by the Catholic Church"

The deceased who were remembered by name and through a lighted candle and prayed for during this Mass:

ones buried in local cemeteries but no longer live in the area. Members of our Shanley and Fargo Catholic Schools Network family provided gravesite cleanup, planting of flowers and prayers Memorial weekend. The flowers were geraniums, petunias and alyssum. Father Charles LaCroix, Shanley and Sullivan Chaplain, led us in prayers for the

This spring marked the 3rd year of grave site service for members of our Deacon Family who have loved

deceased.

Over 30 gravesites received this or subsequent service. Members of our Deacon Family were notified of this service through email as registered members of the alumni website. Those who have expressed interest in the service are contacted each spring prior to Memorial Day.

Network students and parents helped to plant flowers and care for the gravesites over Memorial Day weekend.

Introducing . . . “Class of the Week” Program

Here in the Development Office, we are continually looking for ways in which we can better serve our alumni (as well as the current Shanley students who will soon be alumni). In an effort to combine both of these objectives, we are proud to introduce a new program simply entitled “Class of the Week”.

Each week during the school year, two alumni classes will be recognized through several events at Shanley:

- Monday morning announcements will contain facts about these classes.
- Current Shanley students will be encouraged to inform us of any relatives of theirs who are members of the Classes of the Week. Those students will be recognized throughout the week.
- Shanley students will pray for the Classes of

the Week (and any intentions members of these classes may have) during their scheduled Masses throughout the week.

- View the full Reminiscor yearbooks for the Classes of the Week at the alumni website - <http://alumni.fcsn.k12.nd.us/> during the week!

All members of the Classes of the Week will receive a postcard in the mail 3 weeks in advance of their designated week.

- This postcard will encourage alumni to inform us of any prayer intentions they would like Shanley students to pray for during that week’s Masses.
- This postcard will serve as an admission ticket for one person to any one HOME athletic event during the 2010-2011 school year (excluding tournaments).

Website Updates

If it's been awhile since you've checked out the alumni website at <http://alumni.fcsn.k12.nd.us/>, here are some updates:

• Deacon Alerts:

We keep all Deacon Alerts we've sent out to affected classes available to view for one full year at the "DEACON ALERTS" link.

Some alumni have expressed interest in receiving ALL Deacon Alerts (not just the ones that affect their class). Here's how you can receive ALL Deacon Alerts:

- o Sign on to the alumni website at <http://alumni.fcsn.k12.nd.us/>. (If you have forgotten your username or password, contact Joelle at Joelle.Shewey@fcsn.k12.nd.us).
- o Once you're signed on to the site, click on the "Groups" link from the menu on the left.
- o Then click on "Deacon Alert Recipients" from the list of groups. On the next page, click on "Deacon Alert Recipients" again.
- o Near the center of the page, you'll see a little

icon with the words "Join Group" next to it. Click on "Join Group". It will ask you if you are sure – click "OK" and that's it! You will immediately begin receiving all Deacon Alert e-mails we send out.

• Reminscor Trivia:

Every month (or every two months during the summer), we post a photo from a Reminscor on the alumni website. Make sure you check back every month. If you can name everyone in the photo, submit your answers online and we will notify the winner at the end of

the month. There is a prize for the first person to correctly identify everyone in the trivia photo! We also post the answers to last month's photo on this page.

We are also in the process of getting all the Reminscor yearbooks uploaded onto the alumni website, so if you are missing some of your yearbooks from high school, this will be a great place to check them out and "reminisce"!!

The Joy of Giving

The Mary Garden

By: Todd Mickelson, FCSN Development Director

The primary entrance for visitors, parents and students to Shanley and Sullivan is on the north side of the building entering the Activities Center. This entry truly emphasizes our Catholic faith and mission with the beautiful Mary Garden visible from the parking lot and hallway windows. It is being used extensively for reflective prayer, outdoor

classes and pictures for graduates. This Garden has been many years in development and not always so pretty. It is a story worth sharing to thank the many donors and volunteers who made this beautiful addition to our facilities possible.

The Mary Garden

The Joy of Giving cont.

idea was brought forward in the fall of 2004 by Sullivan teachers Kristi Grafton and Rose Olson and parent Mary Kay Kempf. They had secured a grant for an OWLS (Outdoor Wildlife Learning Site) for Sullivan and Shanley and wanted to expand it into a Mary Garden. They were looking for funding sources and ideas. After discussing the possibilities for the Garden, the decision was made to locate the Garden closer to the activities entrance and hallway for access and to avoid disruption of the Garden if Sullivan should need to expand in the future. The Garden would emphasize our Catholic identity to all who entered our school. Chad Erickson, a local landscape designer, donated his time to do a beautiful garden design for prayer and wildlife centered on Mary. A phased plan was identified so the Garden could be installed as donations were received and to utilize volunteers including Eagle Scout projects.

The first funding was secured through \$11,000 in donations made at the Shanley Auction in the spring of 2005. The first day of school in the fall of 2005 forced a change in the plans. A very heavy rainstorm demonstrated that we needed to address water drainage and retention for the Garden and more importantly to protect the foundation of the school from water damage. Moore Engineering and Shanley Alumni parent, Roger Fenstad and Tim Zerr from Zerr Berg Architects were consulted. Moore engineer, Lee Beauvais, worked with us to design a water drainage plan to control water runoff through gutters, downspouts and a storm sewer system. Without funding in the Operating Plan, Roger worked with me to identify and contact suppliers and contractors to join Moore Engineering in donating their services and

The beginning stages

supplies. Jeff Jones '73 and John T. Jones Construction agreed to perform the installation of the storm sewer system. Tim Pflugrath (GPK), Tom McCormick '68 and Greg McCormick '93 (Northern Improvement Company) joined Northern Pipe Products and Fargo Water Castings in supplying materials and services. The storm sewer system was installed in the summer of 2006 through a very wet summer. Jack Blonigen, a Shanley student, and his parents Mark and Jean worked diligently on his Eagle Scout project in site recovery and transplanting materials.

The drain system and storm sewer ground inlets were heavily tested in the fall of 2006 and the extensive snowmelt of the spring of 2007. The system performed beautifully and the building was protected with the Garden site now draining. The phased install was back on track although funds were diminished due to some costs associated

Shanley and Sullivan Mary Garden today

The Joy of Giving cont.

with the drain system. The backbone of our Catholic Schools, generous parents and alumni, had installed a \$40,000 drainage system for less than \$10,000.

The first phase of the Garden, pathways and planting beds, struggled through a continued wet cycle and dedicated but overwhelmed volunteers. Shanley student Adam Petty '10 worked on the project and demonstrated the perseverance and dedication of an Eagle Scout. The beautiful arbor in the Garden is a result of his efforts. It was now time for a professional to install the paver pathways and raised planting bed for the statue of Mary. The FCSN Foundation supplied the necessary funds from a John McCormick estate gift to get the pathways and planting beds installed.

The Mary Garden is now established and phased completion can continue while we utilize the beautiful addition to our schools. Annual flowers were planted this spring by Gail Dancer and Julie Ternes. A new, Our Lady of Grace, Mary Statue is being purchased through a gift from Betty Lou Scott from memorials to her husband, Larry. Three additional Saint Statues, benches and remaining plantings will be added as donations are received. Volunteers will continue to be an important part of the Garden for planting and maintenance.

Our deepest thanks to the many donors and volunteers for their generosity and patience. This Mary Garden provides another opportunity for our Deacon Family to grow in our faith.

2010 Shanley Auction

The 26th Annual Shanley Auction, held on Saturday, April 24 at the Fargo Holiday Inn, was once again a festive and successful event for the Fargo Catholic Schools Network. Chair couples Brian & Marilyn Bjoralt and Kevin & Brenda Wolf hosted a fabulous event entertaining 400 of our parents and friends as together we raised almost \$300,000 to benefit our schools and students. Fabulous trips, gourmet dinners and exclusive sporting packages were just a few of the items offered. Included in the total generated was nearly

\$70,000 for classroom interactive whiteboards which will impact children at each of our four schools this upcoming year!

Next year's event, scheduled for April 30, is taking shape and the entire Auction Committee invites you to consider making a unique regional, business or cash donation. We welcome you to join us for what is sure to be an exciting gala event. For information, please contact Auction Director, Sarah Ries at Sarah.Ries@fcsn.k12.nd.us or 701-893-3270.

A new fiscal year began on July 1, 2010 and plans are underway to reach a goal of \$200,000 in the 2010-2011 Annual Drive. Students will be making

phonathon calls one night every month of the school year this year.

We are also looking for any alumni who might be willing to write/sign a letter to their class or even create a fun giving challenge to their class (or any other class). Class letters and challenges almost always boost a class' participation rate in the Class Act Alumni Challenge. If you are interested in creating a class letter or have an idea for a giving challenge, please contact Joelle Shewey at 701-893-3225 or e-mail Joelle.Shewey@fcsn.k12.nd.us.

2010-2011 ANNUAL DRIVE

Annual Drive

- ♦ "fills the gap" between the cost of educating a student & tuition revenue (tuition covers only 50% of that cost.)
- ♦ provides tuition assistance to those in need (30% of the student body receives tuition assistance)
- ♦ supports the dedicated faculty & staff in their efforts to provide quality academic & extracurricular programs in the Catholic tradition.

Blessings and Greetings from the Development Office

Todd Mickelson

First of all, we want to apologize for being out of touch for so long with the Deacon Newsletter. It was a challenging year financially and we had to conserve on expenses. We know many of you experienced the same

challenges over the past year.

We have worked hard to keep you informed through the alumni website. We hope you have been able to utilize this site. It is a great place to keep up to date both with our schools and your classmates and their families. The website is available to alumni, parents, alumni parents, staff and former staff. If you're not already using it, check it out at <http://alumni.fcsn.k12.nd.us>

This was a very exciting year for our schools with the addition of home games in Sid Cichy Stadium. The excellent performance of our contracting team last summer including Northern Improvement, Sun Electric, Field Turf, ZerrBerg Architects, Gehrtz Construction Management and others made it possible to open our soccer and football seasons on time in August. We are now home to the finest field in the State with Sid Cichy Stadium! The school pride and spirit were evident at every game throughout the fall and the girls' soccer games this spring. There was even an extra bounce in their step for the gym classes throughout the year. We were very proud to host the State Soccer Tournament on short notice due to the playability of our field.

The Deacon Football Team had a fantastic season. Under the guidance of Coach Steve Laqua and his team of coaches, the Deacons brought a State Championship home for the first time since 1983. They accomplished this with a thrilling overtime win over Devils Lake in the State Championship Game at the FargoDome. The game is actually still available for viewing on the alumni website. The Deacons return a lot of starters from last year's team so we hope you can join us for a game this fall.

The wonder of our Deacon Family and faith environment in our schools was experienced

again this year with the death of Nick Bailey, a 3rd generation Deacon, in September. The students, staff and families comforted each other in their grief. The Memorial Mass in November allowed the Bailey and Leininger families to join our students and staff in prayers for their children and the other 90 Deacons and friends who were Memorialized in the previous year. Please continue to keep these families and our students in your prayers.

We continue to experience the humbling and blessed financial support of our alumni, alumni parents, parents and friends. The recent \$2M pledge gift from an anonymous donor is such an affirming message of giving back. Every single brick in our schools, desk in our classrooms and student in our halls are possible because of the support of our donors. Another great example - Nativity School was able to install 3 interactive white boards/smart boards in their classrooms through the support of their PTO and a generous donor. This leadership by Principal Cindy Hutchins and the Nativity PTO set the stage for the Special Projects Fundraising at the Shanley Auction. Interactive whiteboards for all four of our schools were the project. We raised over \$70,000 that night for these classroom enhancements and 16 whiteboards were installed this summer.

The challenging economic environment was felt in our operating revenue for the Annual Drive and tuition payments. The support from our donors in the Annual Drive was the strongest in years with over 900 gifts received. The economy affected the total value of the gifts where we were \$20,000 below the previous year's total. Thank you for keeping us in your giving plans even in these tough times.

We deeply appreciate your continued interest, support and prayers for our Fargo Catholic Schools. We look forward to your continued participation in our Deacon Family.

God Bless,

Yours in Service,
