CPE Credit Opportunities

Yearly Maintenance

On average, senior-level financial professionals are required to earn **20-40 CPE credits** per year to maintain their credentials. This maintenance translates into an average out-of-pocket cost of **\$50 per credit**.

By investing in a membership with FEI, your finance staff is afforded opportunity to obtain CPE credits free of charge (webcasts) or at a discounted rate (national conference or local events) helping to alleviate a major annual cost.

Connect and Inform Your Finance Staff

By joining the Corporate Member Program your company and staff have the opportunity to engage in 'Lunch and Learn' events that will continue to promote internal networking, while providing professional development that offers CPE credits.

These events can be created by your company (with FEI and NASBA's review and approval) or by FEI Staff and presented by a qualified staff member.
