

What is Honorlock?

Honorlock is an online proctoring tool designed to ensure academic integrity during exams. This system uses advanced technology to monitor students while they take their assessments, recording their activity through video, audio, and screen capture. With Honorlock, academic institutions can offer secure and reliable exams, while students complete their tests fairly and without interruptions.

1. Log in to Canvas and access your exam:

- Log in to your Canvas account and select the corresponding course.
- Go to the left-hand menu and find the **Honorlock 1.3** tab.
- Accept **Honorlock's Terms of Service** and the **Student Privacy Notice** before proceeding.

The screenshot displays the Canvas LMS interface for the AMLCA Certification Program. On the left, a dark blue navigation sidebar contains icons for Account, Dashboard, Courses, Calendar, Inbox, History, and Help. The 'Honorlock 1.3' link in the sidebar is highlighted with a blue rectangular box. The main content area shows the course title 'FIB-1000-002-25Q4' and a banner for 'ANTI-MONEY LAUNDERING CERTIFIED ASSOCIATE' featuring the FIBA logo and the text 'FINANCIAL & INTERNATIONAL BUSINESS ASSOCIATION'. At the bottom, the FIU Executive and Professional Education logo is visible.

2- Check the system requirements:

- Make sure you are using Google Chrome, as Honorlock only works with this browser.
- **Download and install the Honorlock extension** from the Chrome Web Store if you haven't already.

No scheduling. No headaches. Simple and affordable on-demand proctoring.

Honorlock Proctoring

VERIFID

3. Honorlock offers a practice test to help you get familiar with the system.

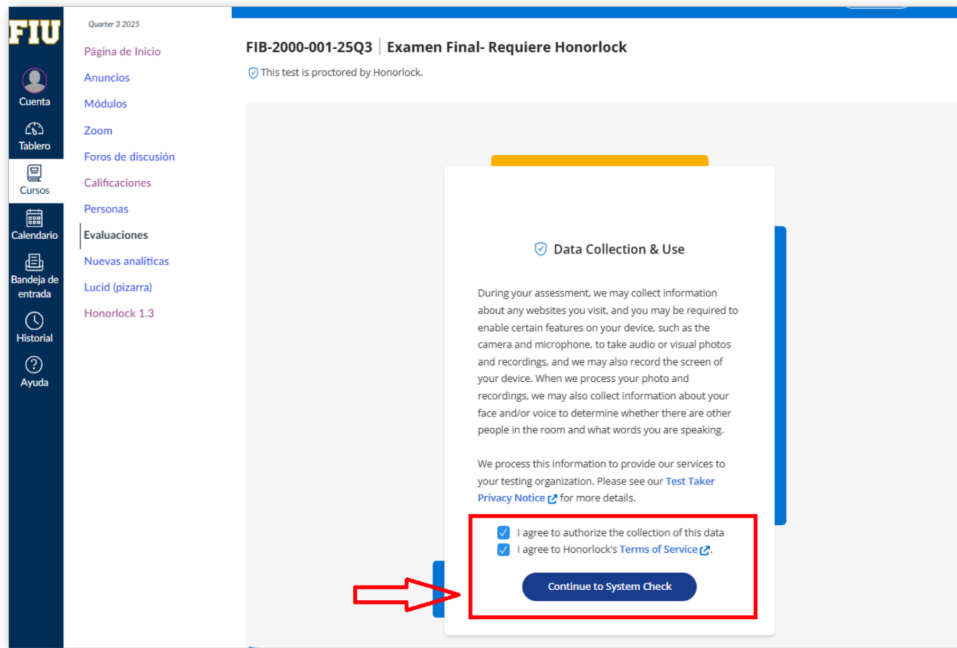

Once inside Honorlock, as shown in the image, you will be able to choose between taking the exam or completing the practice test again.

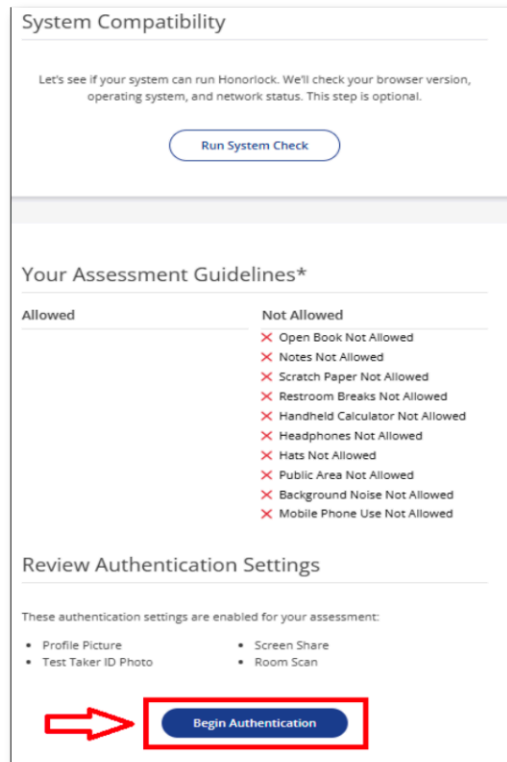

4. By clicking **LAUNCH**, you will be directed to the page where, at the bottom, you can click 'Take the Exam'.

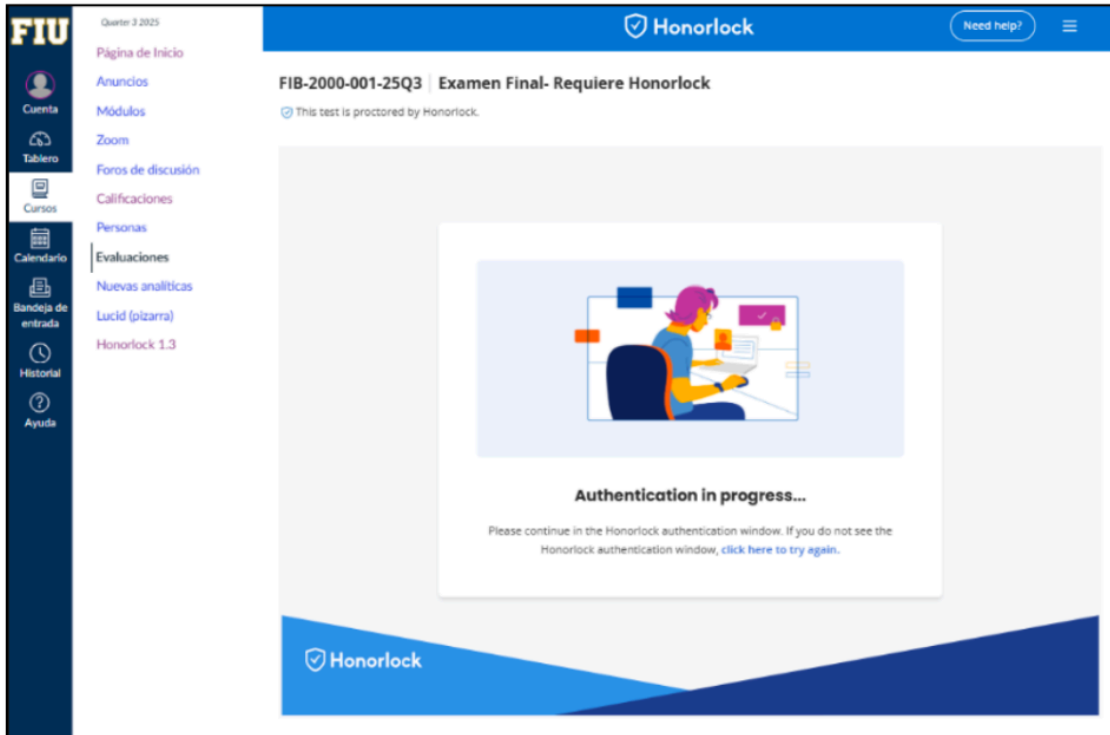

5. Accept the terms and conditions, then click on: **"Continue to System Check."**

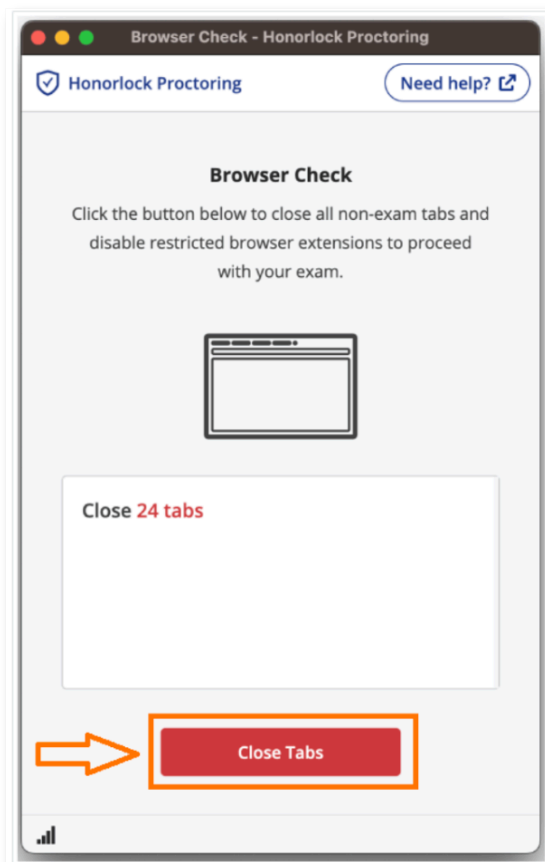

6. Review the system compatibility and exam guidelines, then select **"Begin Authentication."** If you don't see the "Begin Authentication" button or are prompted for an access code despite having installed the Honorlock extension, [click here](#).

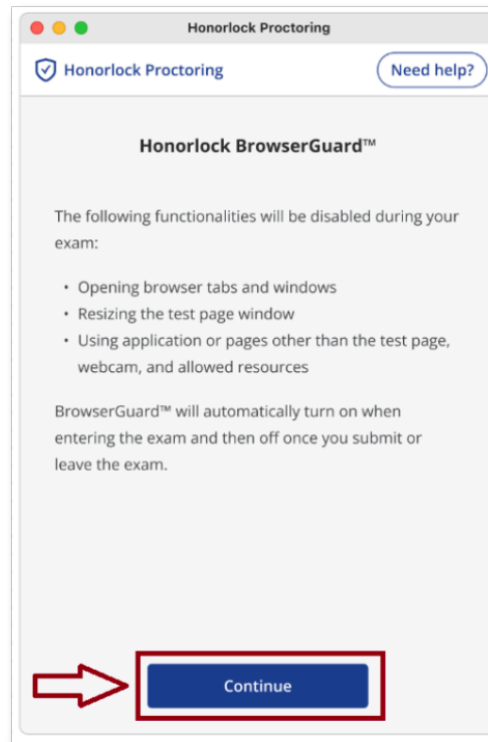

7. A small window will open to begin the proctoring of your exam.

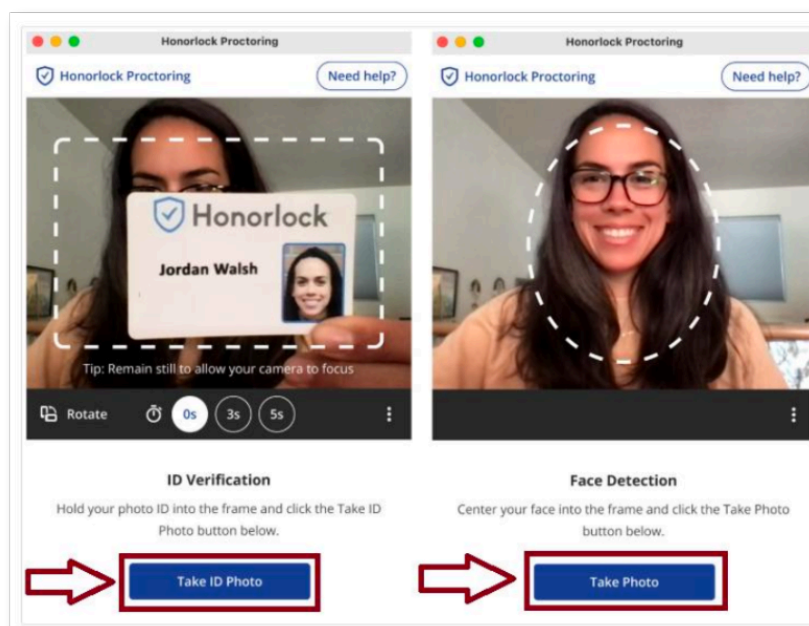

8. Close any unauthorized tabs. Click on "**Close Tabs**" to automatically close all open browser tabs.

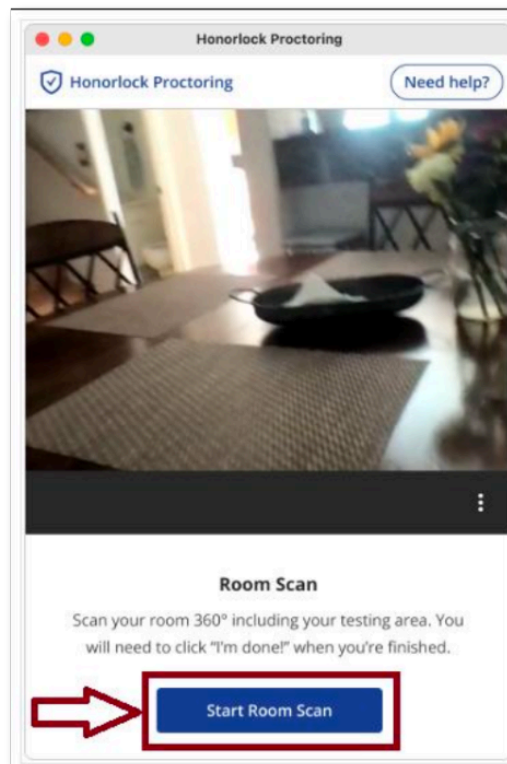

9. Once you click "**Continue**," you will no longer be able to access any other application or resource. Any attempt to do so will be flagged for academic review. You will then be asked to review the privacy details and select "I Understand" to proceed.

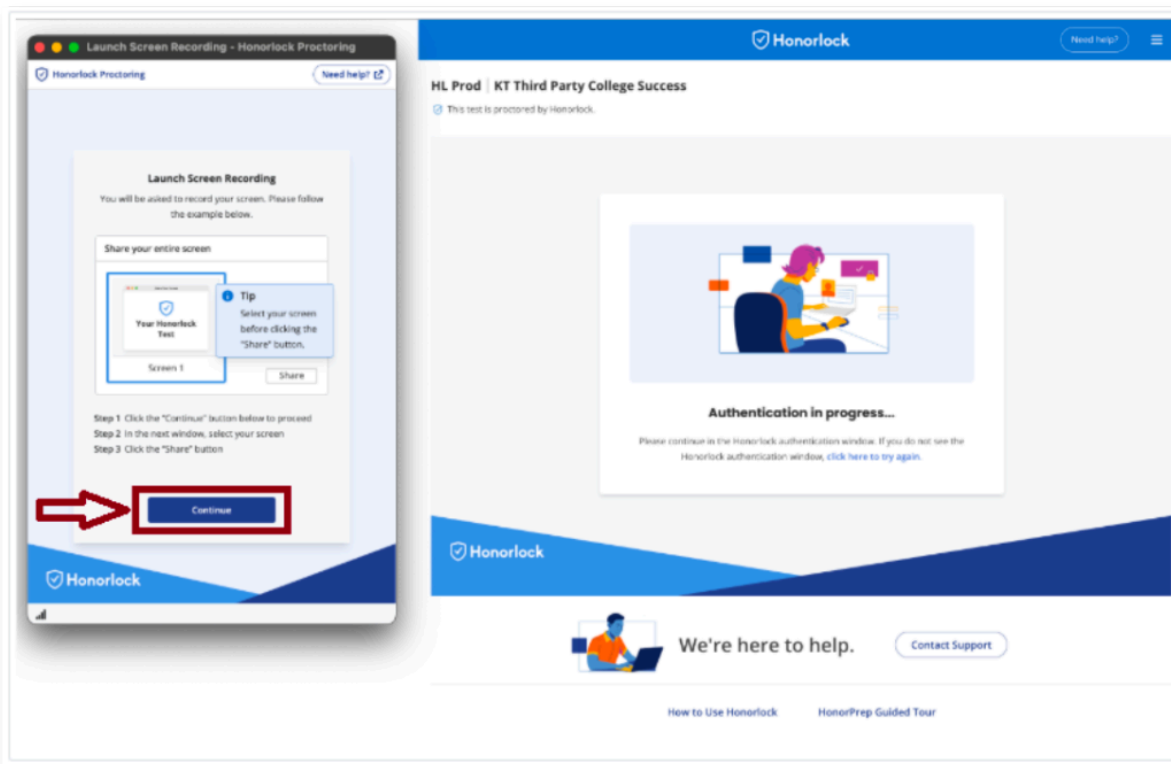

10. Next, you will be asked to **take your photo and verify your ID**. If you haven't used Honorlock before, you will be prompted to allow Honorlock access to your camera and microphone. You must select "Allow" to proceed with the proctoring of your exam. If you selected "Deny" or encounter any other camera error, [click HERE](#) for troubleshooting steps.

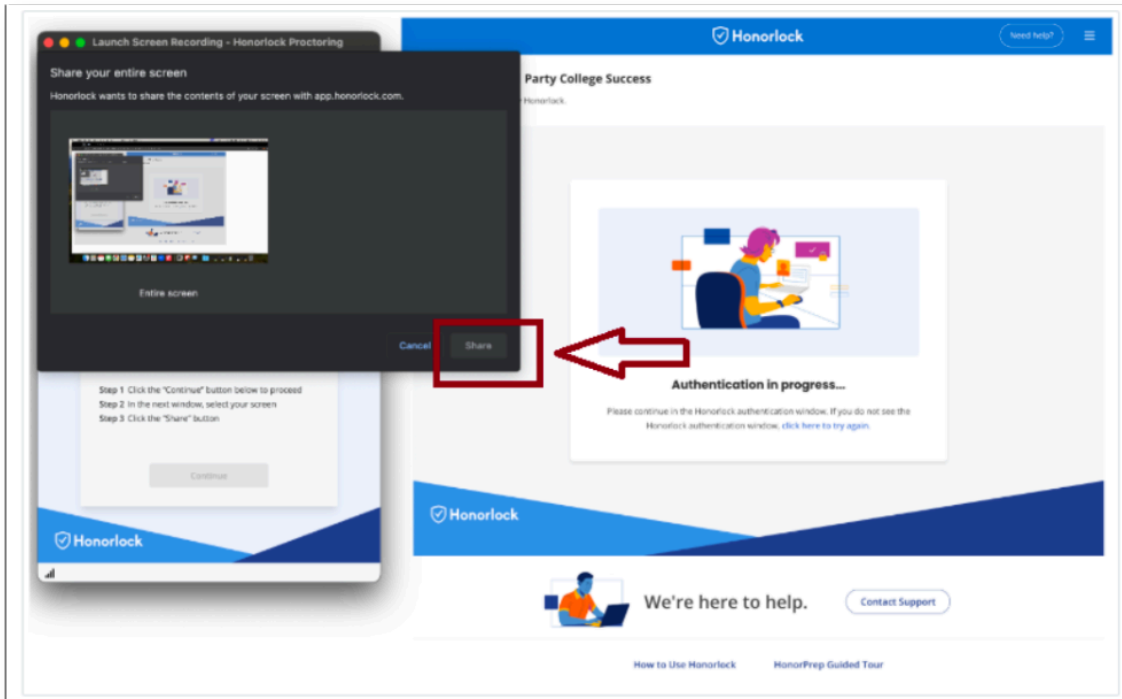

11. After successfully validating your ID and photo, you may be required to complete a **room scan**. You must show your entire workspace, including your desk area, surrounding areas, scratch paper, or any additional resources allowed by your instructor or exam administrator. After recording the room scan, you will have the option to review the video and re-record it if necessary.

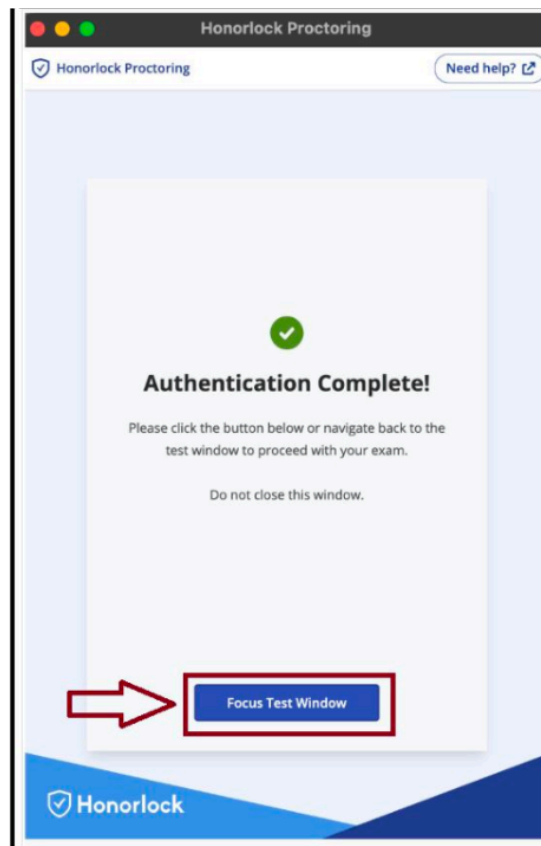

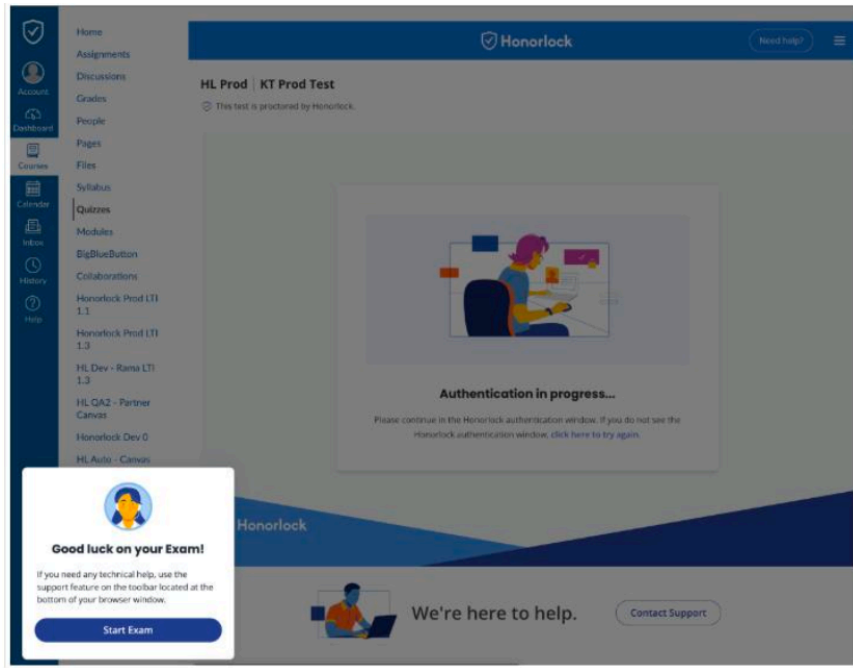

12. You will now need to allow screen recording access. Click on "**Continue**" and then "**Share.**"

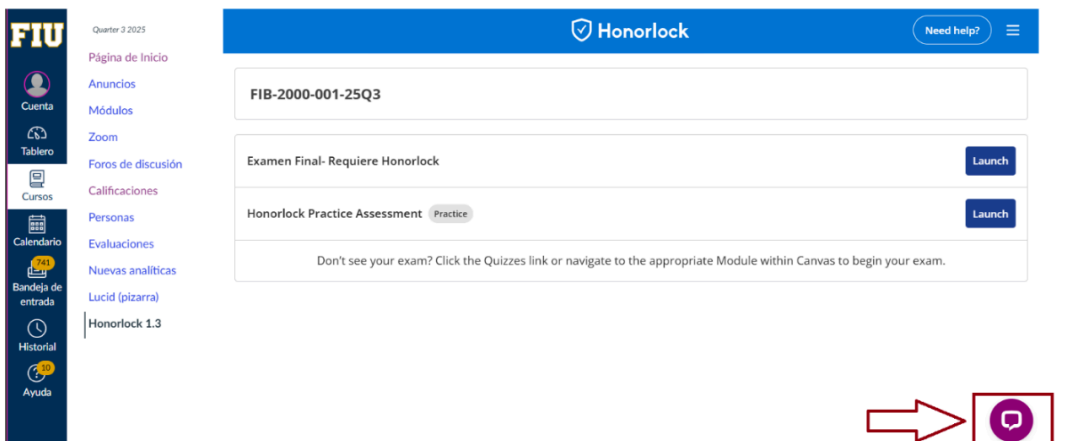

13. Once you have completed all the authentication steps, you will be prompted to select "**Focus Test Window.**" Your exam will now be accessible in the main browser window. Click on "**Start Exam.**"

IMPORTANT NOTE!

If you need assistance, remember that you can use the chat located at the bottom of your screen.

We hope this guide, prepared by **FIBA Academy**, has been helpful in navigating and using Honorlock effectively during your assessments. If you have any additional questions or need technical assistance, feel free to contact our support team through the chat on the platform or via the contact information provided.

We wish you success in your exams and on your journey of continuous learning!
