What Membership Does

01 For Our Profession

Membership in FLASHA is one of the best investments you can make in yourself and your career. FLASHA works diligently to provide a wide array of products, programs and services designed to enhance and elevate the professions of Speech-Language Pathology and Audiology.

When you become a FLASHA member, you will receive access to countless hours of Professional Development opportunities (many of which providing CEU credit), the opportunity to interact with other professionals through our online FLASHA communities, as well as countless additional resources all designed to elevate and enhance our profession, all for less than fifty cents a day.

02 For Those We Serve

Legislative Advocacy is one of the cornerstones of FLASHA's mission. That's why we employ a full-time lobbyist working every day to ensure that Florida lawmakers are aware of the issues facing our professions and the clients we serve.

Our lobbyist has worked diligently on countless issues impacting not only our profession, but the general public as well. Advocating on our behalf, our lobbyist has tackled many issues, such as Case Load Legislation and Medicare and Medicaid Reimbursements. Our collective voice is well respected among the congressional members in Tallahassee. When FLASHA speaks, our legislators listen and take into account our position.

03 For The Greater Good

Through the efforts of FLASHA and its members, we are able to continually improve upon the work we do. We work closely with affiliated organizations to advance not only our mission, but the missions of these organizations to ensure that consistent, high-quality and affordable professional services are available and accessible to all Florida citizens.

We don't want to just provide professional services, but instead we strive to create a world where everyone, regardless of their condition, has their own voice, is heard, and is understood. Our members are actively involved and engaged in several causes to improve the overall quality of communication and understanding.

Membership Levels

01 For Working Professionals

Regardless of your career progression, FLASHA has membership levels designed specifically for you! Each membership tier provides access to a wide array of benefits tailored specifically for your current professional progression.

Regular Member (\$125): Regular members hold a master's degree or higher in either the fields of Speech-Language Pathology or Audiology.

Clinical Fellow (\$50): Clinical Fellow membership is available to Clinical Fellows during their first year of their Clinical Fellowship.

Associate Member (\$50): Associate members hold a Bachelor's degree in a Speech-Language Pathology or Audiology related discipline.

Regular Members, Clinical Fellow Members, and Associate Members have access to all FLASHA member benefits, are all considered voting members of the association.

02 For Legacy Members

FLASHA believes in rewarding the hard work and dedication of professionals within our fields. For those members who have been active in both their field and the association, and have reached age 60 or 65, can join or renew as a Legacy Member.

Retired Member (\$75): Retired members must be age 60 or older and have had held continuous membership in FLASHA for 15 years or longer.

Sustaining Member (\$45): Available to any allied professional or part-time professional 65 years or older, working with or supporting the fields of Speech-Language Pathology or Audiology.

Retired and Sustaining Members have access to all FLASHA member benefits, but are not considered voting members of the association and cannot hold office.

03 For Students

We believe in the future of our profession, and want to work to develop the next generation of Speech-Language Pathologists and Audiologists. That's why we have created a special category of membership just for students.

For \$25 per year, Student Membership is available to any student enrolled full-time within an accredited Speech-Language Pathology or Audiology program at a Florida college or university. Student members have access to all member benefits, as well as access to specifically designed student resources, networking groups and mentoring programs.

Dues provide for one year of membership from the date of signup.

How to Join

01 Online

The fastest and easiest way to join is online! Our secure website (www.flasha.org) has a quick and easy membership application. You can pay your dues via credit card, and can even pay for your dues in three equal installments.

Online membership sign up is also the only way to use any promotional or discount codes offered.

02 By Phone

The FLASHA membership office is available Monday through Friday, 8:00 AM to 5:00 PM to answer your membership questions or to process your application.

We are available to help talk you through the online membership process, or to take your membership application over the phone.

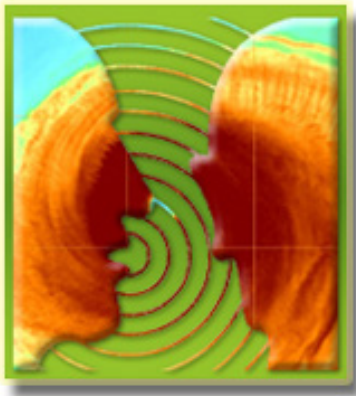

03 By Mail

Want to mail in your application? Do you need to pay by check or money order? Don't worry, we have you covered! Simply mail your completed membership application and payment information to our headquarters:
