# FMA 2017-2019 Strategic Plan

## **VISION**

The Floodplain Management Association will continue to serve as the premier voice for advancing and promoting flood safety in California, Nevada and Hawaii, as well as environmentally, economically and socially sustainable use of floodplains.

## **MISSION**

The Association's mission is to improve flood safety and maximize floodplain resources through effective dialogue, collaboration, education, legislation and policy.

# GOALS

**GOAL A: Encourage the use of effective floodplain management principles and practices through education, outreach and training**

**GOAL B: Represent, recruit and involve members and stakeholders in local, state and federal floodplain management issues and policy**

**GOAL C: Promote leadership in floodplain management**

**GOAL D: Strengthen association partnerships with agencies, academia, and other associations**

**GOAL E: Strengthen the fiscal and legal health of the organization**

**GOAL F: Enhance internal expertise and Board composition**

# Key Initiatives

- Goal A – Outreach and Education
  - ✓ Organize and Promote Annual Conference
  - ✓ Publish Quarterly Newsletters
  - ✓ Organize Specialty Symposia (CEPSYM, SWEPSYM)
  - ✓ Organize Monthly/Quarterly Lunches (Sacramento, San Diego, Bay Area, LA Area, Las Vegas)
  - Increase Member Involvement on Committees
  - Develop Student Internship Programs

# Key Initiatives

- Goal B – Advancing Floodplain Management Policy and Practice
  - ✓ Participation in IRWM, Silver Jackets, etc.
  - ✓ Create Policy Discussion Items
- Goal C – Recognizing Leaders in Floodplain Management
  - ✓ Identify and Present Awards
- Goal D – Partnering with Key Players
  - ✓ Strengthen Partnerships with CALEMA, NOAA, CA Geological Survey
    - Opportunities for a MOU with DWR (Outreach and Education)

# Key Initiatives

- Goal D – Enhancing Fiscal Stability
  - ✓ Develop an Oversight and Auditing Process
  - ✓ Evaluate and Enhance Member Benefits
  - Identify and Implement New Revenue Sources
