

Coordinating Committee Meeting – Flood Maintenance Assistance Program (FMAP)

DWR – DFM

Jeff H. Van Gilder

February 2019

PROGRAM OVERVIEW:

DWR FMO Program to fund eligible LMA maintenance activities to obtain acceptable maintenance levels of SPFC facilities.

- Need identified in CVFPP, funded through 2018 Budget Act, annual appropriation through CA Legislature
- New OMRR&R Assurance Agreements required (between LMA and CVFPB)
- Increase O&M funding by LMAs
- Increase PL 84-99 eligibility of LMAs
- Provide additional funding for maintenance to LMAs
- State Maintenance Areas (MAs) eligible

PROJECT FUNDING APPROACH:

- DWR to fund LMA \$20K for LOI/SWIF preparation
- DWR to fund LMA \$20K with LMA to secure sufficient O&M funds to perform the requirements of CFR, USACE O&M and new OMRR&R agreement, such as the engineering report required in preparation for a 218 Election
- DWR to provide matching funds for O&M activities based on participation in #1 and #2.
 - a. 75% match for first \$10K/mile, 50% match for >\$10K/mileLMAs may use funding from (1) and (2) for O&M activities if they already have them in place

PROGRAM FUNDING IMPLEMENTATION SCHEDULE

- January 25, 2019 – First program application submittal date for FY 2018/2019 funding (CLOSED)
