Animal Control Officer Certification Course

40 Hours

Monday, April 26 - Friday, April 30, 2027
8 a.m. – 5 p.m.

Location: Daytona State College – Advanced Technology College
1770 Technology Blvd., Daytona Beach, FL 32117

COURSE: This 40-hour course is approved by the Florida Animal Control Association (FACA), DBA Florida Animal Protection and Advocacy Association (FAPAA), and meets the certification requirements under Florida Statute 828.27(4). Students must attend all sessions and pass the state exam with a score of 75% or higher to receive certification. Successful completion of this course is required before issuing cruelty violation citations and enhances job prospects in the animal protection field. Course registration includes all study materials, a certification of completion, and official listing in FAPAA's database as a certified Animal Control Officer.

NOTE: Students will receive FAPAA course books prior to the start of class, if materials are received by Daytona State College in sufficient time for distribution, and must agree to read and study the material prior to attending class. Students must wear casual clothing, including long pants and closed-toe shoes. Daytona State College does not provide meals.

INSTRUCTORS: Volusia County Animal Services Director Angela Miedema, local law enforcement, animal control officers, and guest speakers.

COURSE TUITION: $550 (includes all class materials)
FAPAA MEMBERS: Please email for tuition rate

TUITION MUST BE PAID AT LEAST TWO WEEKS IN ADVANCE TO SECURE YOUR SEAT

TO REGISTER:

1. **Please complete the Daytona State College Animal Control Officer Certification Course Enrollment Form**
2. **Submit your course tuition online.**
