

Webinar Partnership Opportunities during COVID-19

In an effort to offer our members continuing education and opportunities to earn education points, The Florida GCSA will offer, for a limited time, our chapter affiliate members the opportunity to provide educational webinars for Florida GCSA members during this time of social distancing and COVID-19. .

All webinars must meet the following criteria:

- Webinar sponsor must be a Florida GCSA Industry Partner.
- Only current affiliate members of a Florida Chapter are eligible.
- Webinars must be informational and educational in nature and not be advertorial.
- Webinar topics must be preapproved and not conflict with any chapter programs.
- This is a first-come, first served, limited opportunity.
- Webinar topics should be submitted to the Florida GCSA office at least two weeks prior to the webinar date.
- A maximum of one webinar will be allowed each day.
- All webinar providers must apply for GCSAA points and have an approval code available at the time of the webinar .
- The Florida GCSA will communicate approved webinars to all Florida GCSA members for a flat rate of \$200 per webinar
 - A calendar of upcoming webinars will be emailed to Florida GCSA members on Monday of each week only (no exceptions).
 - Webinars will be listed on the state calendar and will include links and information for registration
- Webinars will only be available while COVID-19 restrictions are in place.
