FUME

Fumigation Bingo - Have Fun Learning About Fumigation

Erich Hobelman, Douglas Products

Here's what you'll learn about:

- A) Review fumigation PPE, first aide, routes of exposure,
- B) consumer resources, Fact Sheet, preparation (including heat sources, mattresses, food and medicinals, sealing, secondary locks),
- C) warning signs, cylinder handling, dosage calculations using the Fumiguide®, fumigant introduction, fumigant detection devices, aeration,
- D) key Florida state regulations for fumigants labeled for application to residential fumigants
